## VOLUME 58

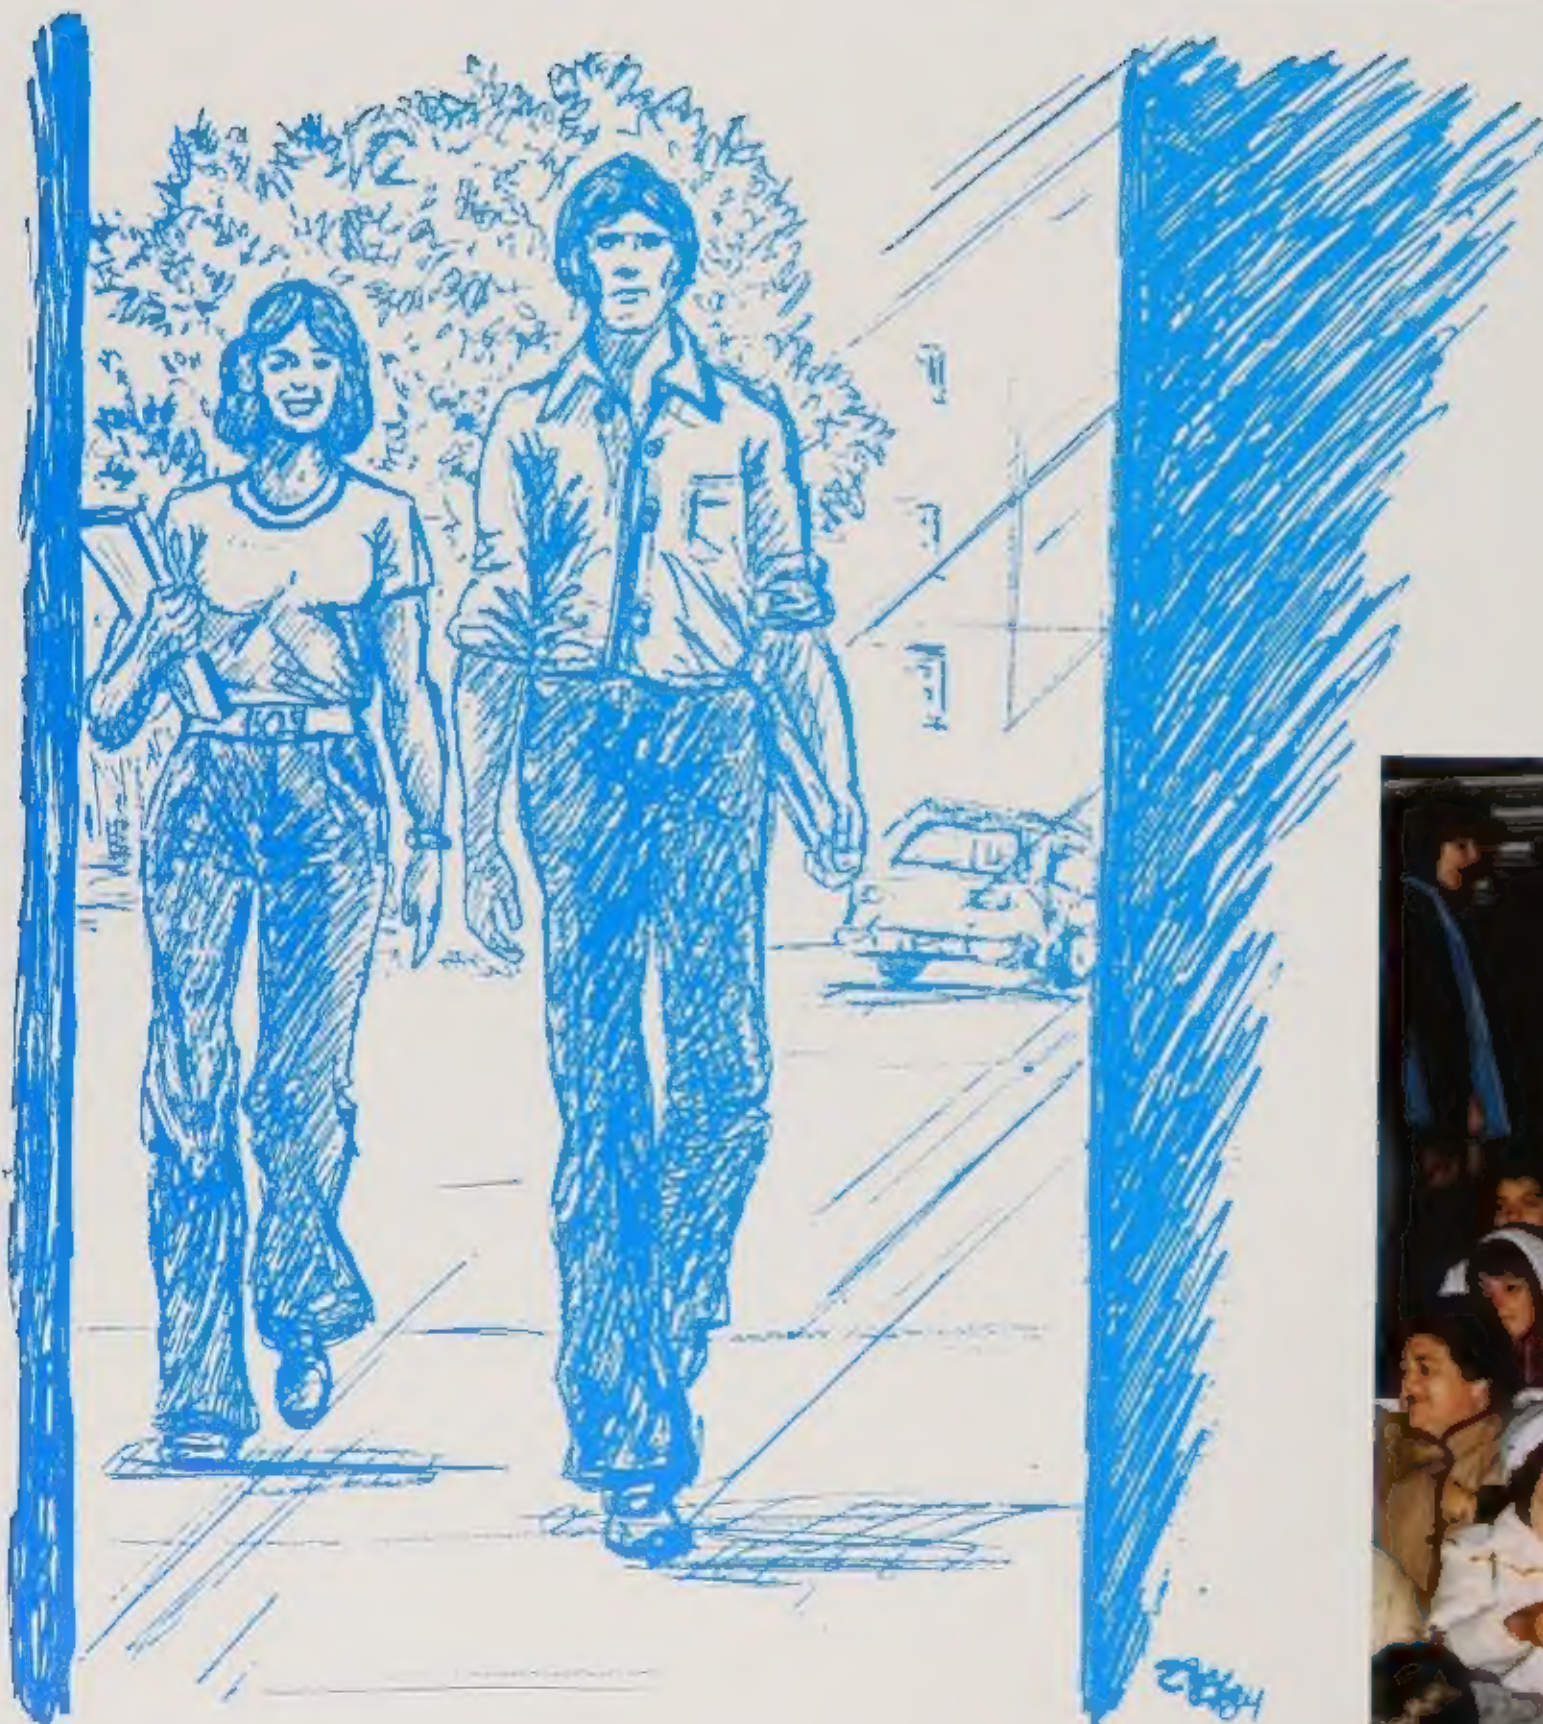

COUNTER MAN. Keeping things under control behind the snack bar at the Golden Gate Skating Rink is Auto Mechanics teacher Mr. Brodnik.

SOUND FANTASY. With his Walk-Man plugged in Junior Bob Pliske takes a break from some rigorous swimming. The boys swim team captured the G.C.C. title.

TITLE PAGE 1

**PUNK ROCKERS.** Showing their spirit on "Punk Rock" day are Freshmen Gina Meuti and Marcie Miller. This was one of the activities during spirit week that helped to show support for the football team.

**BEDFORD BOOSTERS.** Despite the chilling October temperatures many fans showed up to support the Bearcats as they battled Euclid.

GUESS WHO? Drama and Speech instructor Maryann Costa was able to spend the day in cognito dressed as Charlie Chaplin on Halloween.

RAH-RAH. "Let's go Bedford, let's go!" chants Laura Morold as she gives her all for the crowd at the Homecoming pep rally.

BEAT IT. Drumming up entertainment at half-time are members of the Bearcat Bands percussion section.

MSB

Journal Entry  
August 30, 1983

Well back to school! I had such a great summer, one of my best ever. I did so much fun stuff, vacationing, some great parties, even work went well! I really hate to see the summer end. My schedule is pretty decent. I have some really great teachers and some of my classes even look interesting, maybe even fun! I have to spend a small fortune on books and fees, that's the part I really dread. I wonder when our first vacation is? I can't wait!

C.

PIZZA TIME. Three new members of G.A.A. Bruce Manners, Jim Duber, and Tim Tayllor, are rewarded for their induction efforts with pizza and pop.

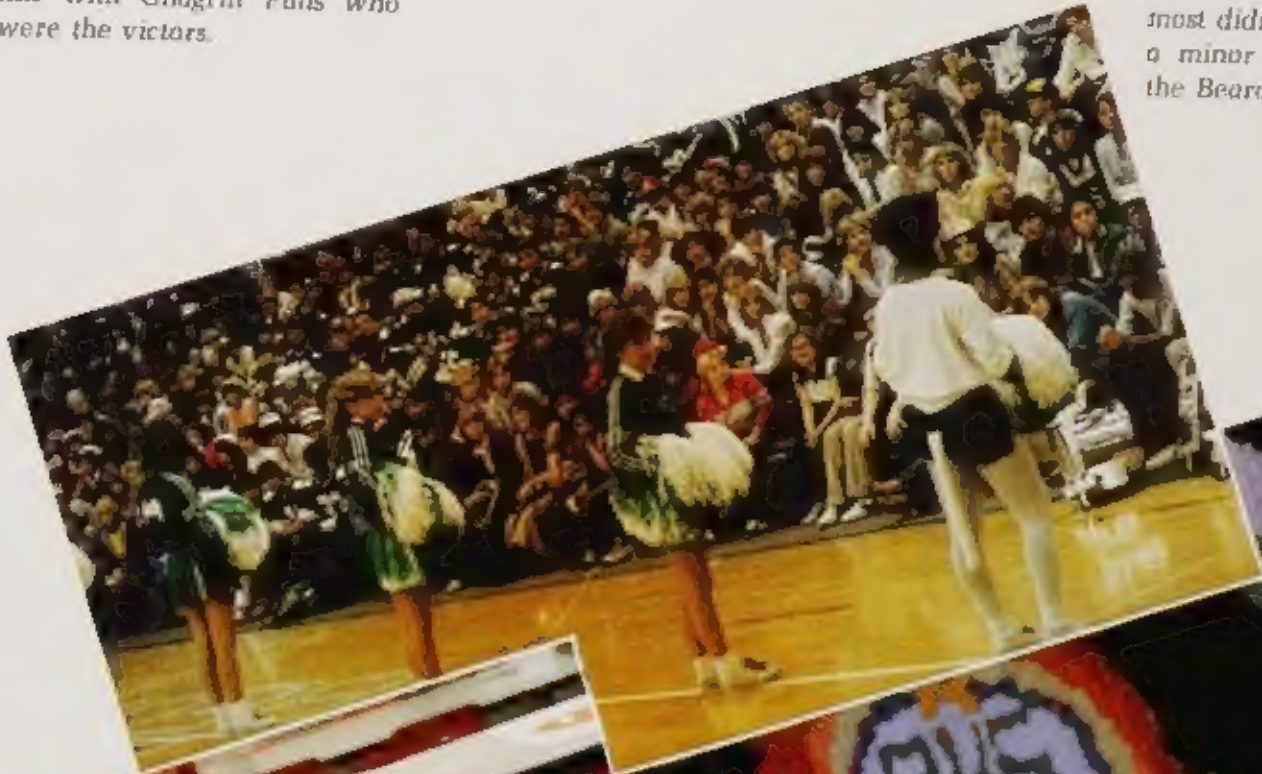

WHO'S NEXT? One of the many good things about returning to school in the fall is yearbook distribution. The crowd was patient as staff members asked, "Do you have your receipt?"

HOLD IT. Ed Day, from Venditti's photographic studio, holds Junior Paul Higgins head at just the right angle before snapping his photo for the yearbook.

# Student Journal, Page by Page

**UNDIVIDED ATTENTION.** All eyes are on the varsity cheerleading squad at a pep rally before the game with Chagrin Falls who unfortunately were the victors.

**HOMEcoming HOOPLA.** The junior float, "BHS Presents: The Return of the Cats" almost didn't make it to the football field after a minor accident on Tarbell Ave. toppled the Bearcat.

**ARTISTIC ENDEAVORS.** Preparing a banner to be used by the Indian Guides at the Randall Mall for their annual Pinewood Derby is Senior Wayne Reese.

**RASPBERRY FUDGE.** Social Studies teacher and Bearcat fan Mr. Bill Fudge hams it up for the camera at the Homecoming game.

**NUMBER ONE** Capturing the title of winning treat is the seniors production *We Care Bears*. "It took us three years to do it, but we finally did," said Senior John McCrory.

**MAKE UP CALL** Applying eye shadow to Doug Mark is Ken Jones, member of the make up crew for the fall seniors production *Who Dares Wins*.

**LOOK ALIKE** Trying to impersonate Dusty Hill, singer for the Texas Rock group ZZ Top, is Junior Tony DeCicca. At sixteen, Tony is the youngest member of the crew.

## CRAZES OF '83

Although no one wants to be called "average", this years Epic staff set out on a quest to find the typical Bedford student. 25% of the student body, freshman through seniors, were asked to fill out a questionnaire covering everything from favorite fads to ways of improving B.H.S. The results reflect the most popular answer in each category

Favorite movie of 83/84—"Flashdance".

Favorite TV show—"The A Team".

Average hours of TV watched daily—3-4 hours.

Favorite radio station—98 WGCL

Average hours of radio listened to—5 6 hours daily

Favorite album -what else but, "Thriller!"

Favorite band/group—Michael Jackson, of course!

Best concert—Van Halen

Favorite teacher—Mrs. Israel and in second place, Mrs. Kozak.

Favorite class English.

Most popular animals—dogs and cats, with a few birds and snakes

thrown in for good measure!

Most students worked at—fastfood places or clothing stores, and the average working hours vary from 15 to 20 hours per week.

Favorite fad—The "Flashdance look".

Least favorite fad—The "Flashdance look".

Favorite slang saying—"What's up?"

Least favorite slang saying—"That's a dud".

Favorite restaurant—McDonalds

The thing people most want to change at B.H.S. was to have longer lunch periods, or to be able to go out for lunch. The class most people wanted to add was psychology, followed by dance and modeling. Most people were heading for college in the future. Most people classified themselves as preppy or just normal.

As you can see, responses really varied, so we leave it up to you to decide what the "average" B.H.S. student is like!

**FAVORITE CLASS?** English was voted the favorite class by the majority of the student body, after lunch of course! Tony DiCorpo and Myra Ciprian listen attentively as Mr. Donovan lectures

**MR. THRILLER** According to the students at Bedford, as well as all over the world, Michael Jackson was voted the #1 performer of the year

In past years Bedford seemed to suffer from a lack of spirit and unity among the student body, but in 1983 the tide turned and the entire school seemed to be caught up in the excitement of pregame activities. What caused this change? Chris Zowacki, captain of the Varsity Football Cheerleaders said, "The cheerleaders worked harder to motivate spirit at pep rallies. There were also more leaders in the junior and senior classes. Everyone really helped, though."

Spirit Days helped to attract new

## CATCHING THE SPIRIT

groups of students, getting more people than ever before involved in spirit raising activities. Ideas for these days ranged from "Bandana Day" to "Flashdance Day". The aim of these days was to get a wider cross-section of students involved in school spirit. Days such as "Green-and-White Day" really helped to show support for our athletic teams.

During Homecoming week the show of student spirit grew to near epidemic proportions. The first wave hit with the sale of Bearcat painter hats sponsored by the Band. Then came the decorating of the halls. The revival of the Homecoming Dance was frosting on the cake and made the week a success.

Some of the effects of spirit week will be with us permanently. Remember the Bearcat painted on the South House hallway during Spirit Week by the sophomores? It will soon be permanently replaced by colored tiles in the form of a Bearcat.

School spirit is more than a visual form of school loyalty, but also a feeling or belief in each other. As Mrs. Ferone said, "Spirit isn't only showing up for games or decorating halls. It is an attitude toward each other."

**WILD TIMES.** One of the many activities designed to increase student spirit was the decorating of the halls. The Seniors were assigned the area outside of the Senior Social Room and predicted it would be wild.

**PUNK DAY.** Bedford students turned New Wave for one day to show their spirit and support the football team. Freshman Michelle Schneider gets in on the act.

WE REMANED his mother and of those  
 entering... has... read... just  
 seemed to be participating in the  
 made... is... but

GET CRAZY Scott Mack Burn shows his  
 spirit at the Homecoming pep rally. Even  
 though the football team was full of energy, we  
 still lost the game to Elwood 28-14.

SPIRIT FLOWS The Varsity Football  
 cheerleaders raise their pom-poms high and  
 ask the question: Where's the spirit? The  
 spirit was at the student body as the pep rallies  
 were highly attended.

# OUR DREAMS ARE MAGIC

On Thursday night, October 20, spirit filled the air in Bearcat Territory as Homecoming '83 was underway. Many gathered to see the parade make its way down Columbus Rd. to the BHS field. Floats in this year's parade included the band's "Paint the Panthers", the Sophomore's, "Zap Euclid", and the Junior's, "Return of the Cats"! But, the Seniors proved triumphant, as John Pracejus announced the Senior float, "We Care Bearcats" as the winner! "After 3 years of losing," said Jim Duber, "It was great to win!" The float was built at the home of Senior class Vice-President Mike Matranga, and had it's ups and downs, with the theme going through a number of changes, and poor attendance at float sessions until the last week. But, all at once, the Seniors pulled it together and finished the float two days early. Senior Class President Kelli O'Neill said "I found a lot of satisfaction in the floats completion, but I never felt a greater feeling of accomplishment then when I realized we had won!"

This years annual Spirit Week Events included "Punk Day, Hat Day, and a Dress-up Day". BHS clubs and organizations worked together and made banners and signs to march in the parade, wishing the Bearcats well, and every hallway was decorated Green and White, with Sophomores walking away with the prize.

There was definitely electricity in the air as the Cats took the field on Friday night, and all assumed that the past losses of the season would be put behind them! The Bearcats played a very emotionally charged first half, scoring two touchdowns due to the combined efforts of all-purpose full-back Ron Culpepper and Quarterback Pete Krantz. But, in the final quarter, the Cats went scoreless and lost their intensity, leaving a 19-13 victory in the paws of the Euclid Panthers. But, not even that could tarnish Bearcat spirit.

Half-time brought a spectacular show by our marching Bearcat Band and the announcement of the 1983 Homecoming Queen, Bonnie Buck! It was a moment filled with tears of happiness, as 1982 Queen Teri Mizak handed down her crown.

Bonnie commented on her experience saying, "In the past years, I've watched other lucky girls enjoy the honor of becoming Queen and have always wished that someday it could be me. This is a dream come true, and a night I will always remember"! This year's Homecoming court consisted of Doreen Goga, Sally Houlahan, and Debi Romito.

On October 22, Saturday of Homecoming weekend, another tradition was brought back to BHS as a Homecoming dance was held in honor of Bonnie and her court! The dance was sponsored by NHS, and Varsity B President Russ Cooper was Master of Ceremonies and welcomed all.

The escorts to the Queen and her court were Ed Zahariwicz, Art Curtis, Doug Tilden, and Paul Tomanday. The dance was successful, everyone danced and seemed to have a great time! As the evening came to a close, Homecoming '83 ended on a high note, providing many with memories and good times that will last a life time and be cherished always!"

**FIRE UP.** Getting fired up during the Homecoming game is Junior Tony Lopez, number 34, who runs off the field after a superbly executed play.

**T P ed TUBAS.** Wrapping up the tuba section of the Bearcat Band with toilet paper was Tim Wardlow's way of telling them to clean up their act.

**MEMORABLE MOMENT** Posing in front of the winning senior float for a scrapbook picture are the 1983 Homecoming Queen court, and their escorts.

**HELLO AGAIN** Following the tradition of returning to crown the new Homecoming Queen is cheerleader Terri Mizak and her escort Augie Potulinski.

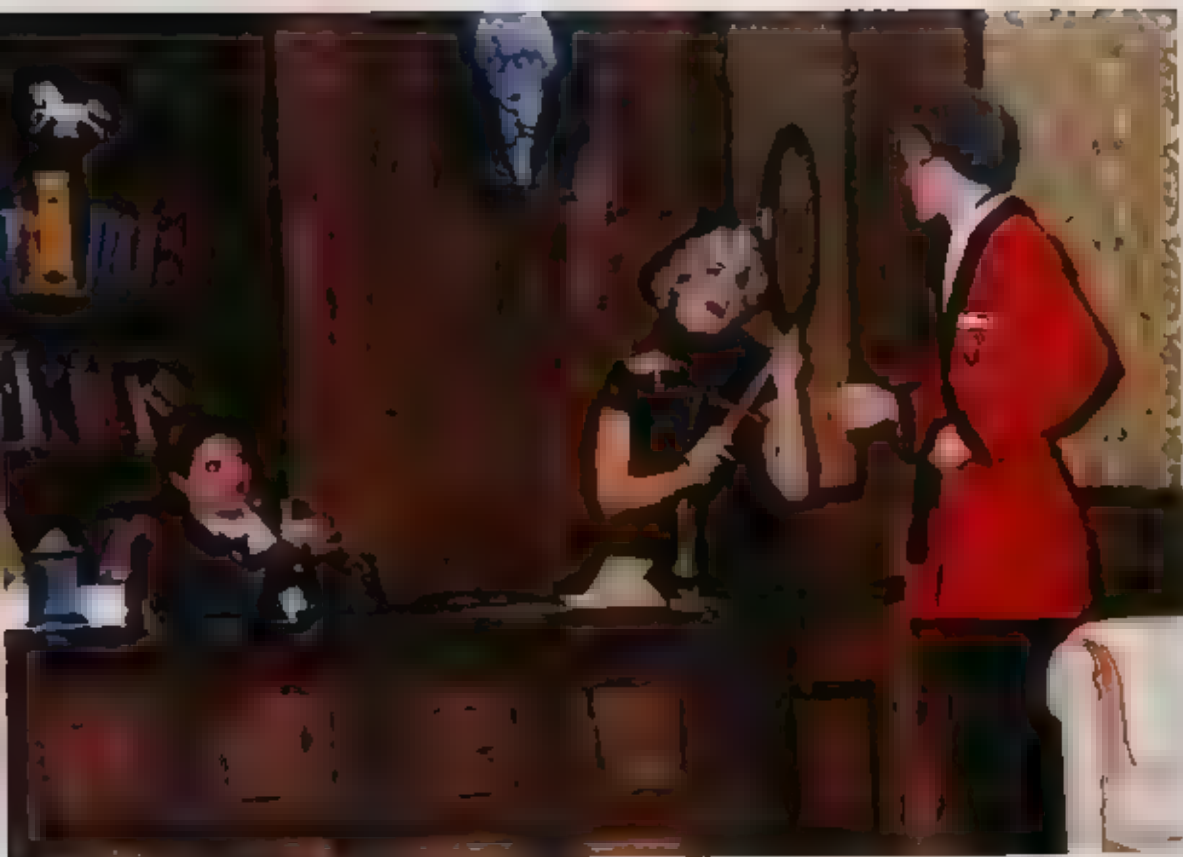

STAND BACK Masters order vanquisher  
whirlwind down North holds gun a little  
by his father doing War I was a use  
suspect in his murder

YOU'RE KIDDING, it isn't me as the \_\_\_\_\_  
 was I. I'll F. E. A. D. S. I'll S. I'll S. I'll S. I'll S.  
 as the \_\_\_\_\_, not the \_\_\_\_\_, it's the \_\_\_\_\_  
 the \_\_\_\_\_, not the \_\_\_\_\_.

the position of assistant director. Although she was relatively inexperienced in theatre", commented Mrs. Costa, "Lea Ann handled the job very professionally and she made a fantastic stage manager".

And so it seems that the Bedford Hearts Society "dunit" again!

## "Who Really Dunit?"

In their 1983 fall production, November 18th and 19th, Thearts Society set out to answer the question, "Is there life after death". More appropriately, "Is there death after life after death?" In "Who Dunit?", Thearts finally obtained an answer to that question, whatever it was, maybe. Confused? So was the recently deceased mystery writer, Alexander Arlington (played by Doug Merk) when he found himself among the tiny angels, Isabelle and Muriel (Kim Tindall and Della Gott), and the archangel Michael (Bruce Manners) at the gateway to heaven. Michael reveals to Alexander that he has, in fact, been murdered, and shall be sent back to earth to relive the last day of his life, in the hope that he will be able to deduce the identity of his own murderer.

Back on earth, Alex wakes up to be greeted by his maid, Annie (Laura Tuennerman), who Alex quickly crosses off his list of suspects. Then, Alex has a run-in with his butler and gardener, Harry (Greg Marold). Harry is a convict who is having second thoughts about whether or not to trust

Alexander with his tales of crime and murder: the first suspect!

Suspect number two is Alexander's stenographer, Miss Jenkins (Vickie Kunkel). Miss Jenkins could write and sell books under Arlington's reputed name... if he were out of the picture.

Andrew Arlington (Ed Brewer) is Alexander's nephew and suspect number three. A gangster's girlfriend, Flo (Fern Conte) informs Andrew that if he doesn't payup an old gambling debt soon, he's going to be in deep trouble. However, if Uncle Alex were to pass away... Andrew could pay off the debt with his share of the inheritance money.

Finally, we meet Alex's fiancée Vivian who would make a wonderful wife for Alexander, if she weren't cheating behind his back with college quarterback, George Brewster (Eric Sweatt). Enter suspects four and five.

Arlington's killer turned out to be his murderous mate Vivian!

"The performances were terrific", said director Mary Ann Costa, "and the set was the best we've had". Junior Lea Ann Mansel held

ANOTHER SUSPECT Flo (Fern Conte) tells Alexander with yet another suspect as she spits the beans about Andrews (Ed Brewer) dealings with gangsters.

MAKE-UP. Ed Brewer is transformed into the character of Andrew with help from Bridget... a member of the make-up crew.

# A Heavenly Experience

**GRAND ENTRANCE.** Carol Dowling, the elected queen, and her escort Tom Kropf make their way to the speakers platform at the 1984 prom.

**HUSTLE BUSTLE.** Making last minute adjustments are the queen and her court. Carol Dowling helps Carol Holmes with her necklace while the other attendants straighten flowers and dresses.

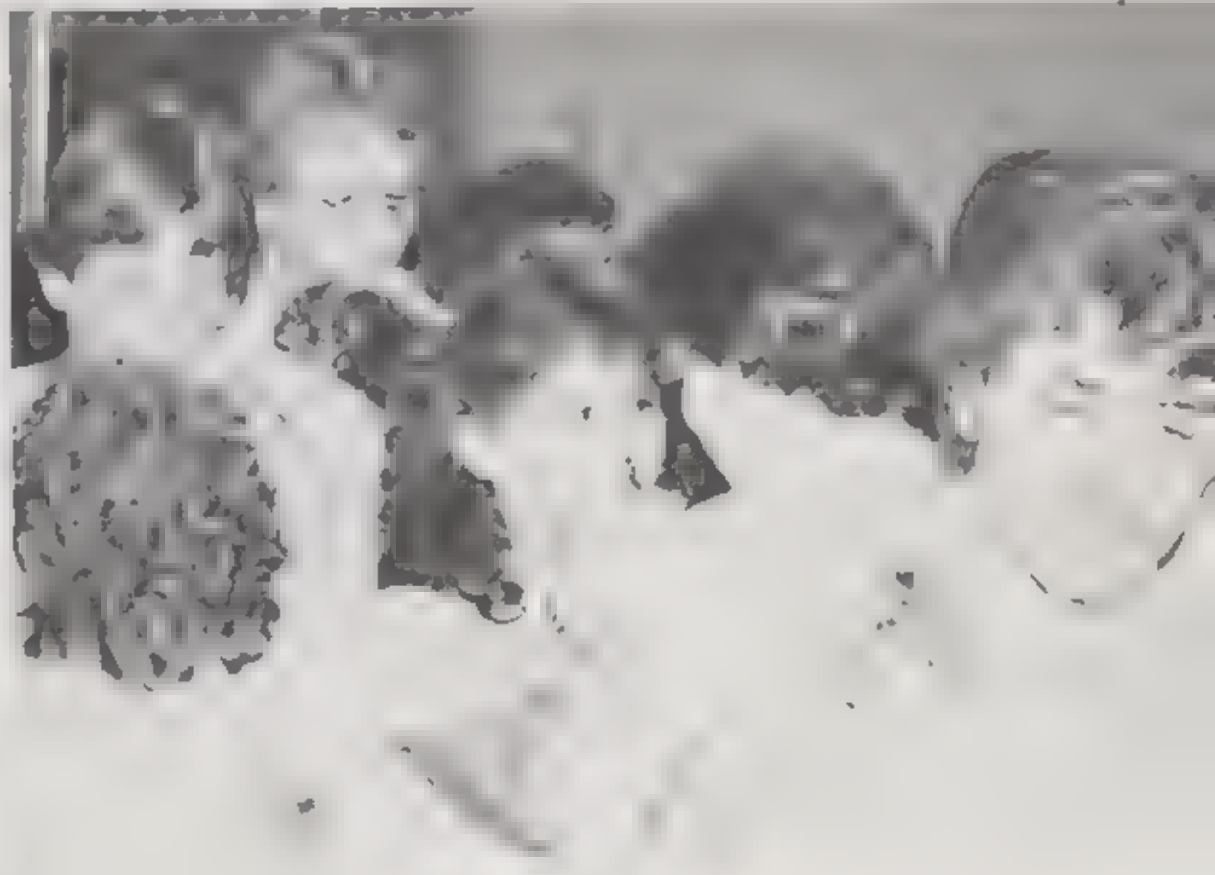

The Junior class's preparation for the 1984 Prom came to a conclusion on May 18 with the "party all night long" at the Executive Club in Chagrin.

To raise money to present the prom several members of the class of '85 had to sell fund-raisers throughout the year.

To add a note of interest, there was plenty of voting controversy in the voting for Prom Queen and Master of Ceremonies, but Carol Dowling prevailed and finally won the Queen's crown with Bob Pliske being M.C. Members of Carol's court included Sonja Allen, Carol Holmes, and Jill Whims.

The theme of the Prom was "All Night Long", and as the lyrics of the song say, the party is supposed to last all night with everyone dancing, singing, and losing themselves in romance. One way this was accomplished was through the After-Prom held in the decorated cafeteria, but many found ways to party all night long in their own special ways.

**DELIGHTFUL DINING.** Enjoying good food (the main course was roast beef) and good conversation are Ron Culpepper and his date.

**SLOW DANCE.** Juniors and seniors alike danced the night away at the Executive Club with music provided by "Familiar Music."

**LOOKING AHEAD** Commencement speaker Edwin Zaharewicz shares his thoughts with his fellow students at the Front Row Theater

**THREE CHEERS** With obvious joy these students move their tassels from one side of their caps to the other, signifying the end of twelve years of hard work

# FINAL

# REWARDS

High school is now a thing of the past with memories that will last a lifetime for the class of 1984 as they leave Bedford High. On June 5th many seniors completed their in-school education forever, while others continued on to college, and still others started working or joined the service.

Graduation is a ceremony for tears as well as joy. People who grew up and went to grade school together follow their separate paths in life, some never meeting again. It is a joyous event also, as students embark on their life with a gleam in their eyes, waiting for opportunity to knock.

Not only did the senior class of '84 leave the school this year but so did Principal Mr. Morelli, as he delivered his final graduation speech and said his fond farewell to the school system. Reflecting on his career, he said, "I'm aware that everything has not been easy nor has gone as smoothly as we would have liked. However, I always felt you were with me when times got rough. That was a good feeling. We had a good year, and for that we all deserve credit."

The commencement was held at the Front Row and after receiving their diplomas, the 99th graduating class finally received their reward to use their knowledge to make their own lives a success. No doubt there were many celebrations and parties before starting this journey though. To all of the Class of '84—Best Wishes and may all your dreams come true. **GOOD LUCK**

**WELCOME ADDRESS** Opening remarks were made by Mrs. Virginia Bright, Board of Education president, at the 98th commencement ceremonies of Bedford High School.

**AT LAST!** Receiving her diploma and a congratulatory handshake from Principal Charles Morelli is graduating senior Laurie Wells.

# WHAT'S NEWS IN '84

Every year is marked by memorable and thought provoking events. The 1983-84 school year was no exception. News happens all around us and what may have affected you may not have touched others. There are some events, though that seemed to touch nearly everybody in the community of a school, city, state, nation, or even the world.

One of the biggest news events of the 1983-84 year that affected all of Bedford was the closing of the Northfield Road Bridge. Thirty years of harsh winters and heavy traffic took its toll on the bridge and it had to be torn down. Not only did this close half of Bedford off to pedestrians, but also caused major traffic problems to motorists. Downtown Bedford was congested with traffic almost continuously and business on Northfield Road past Union Street suffered a drop in customers.

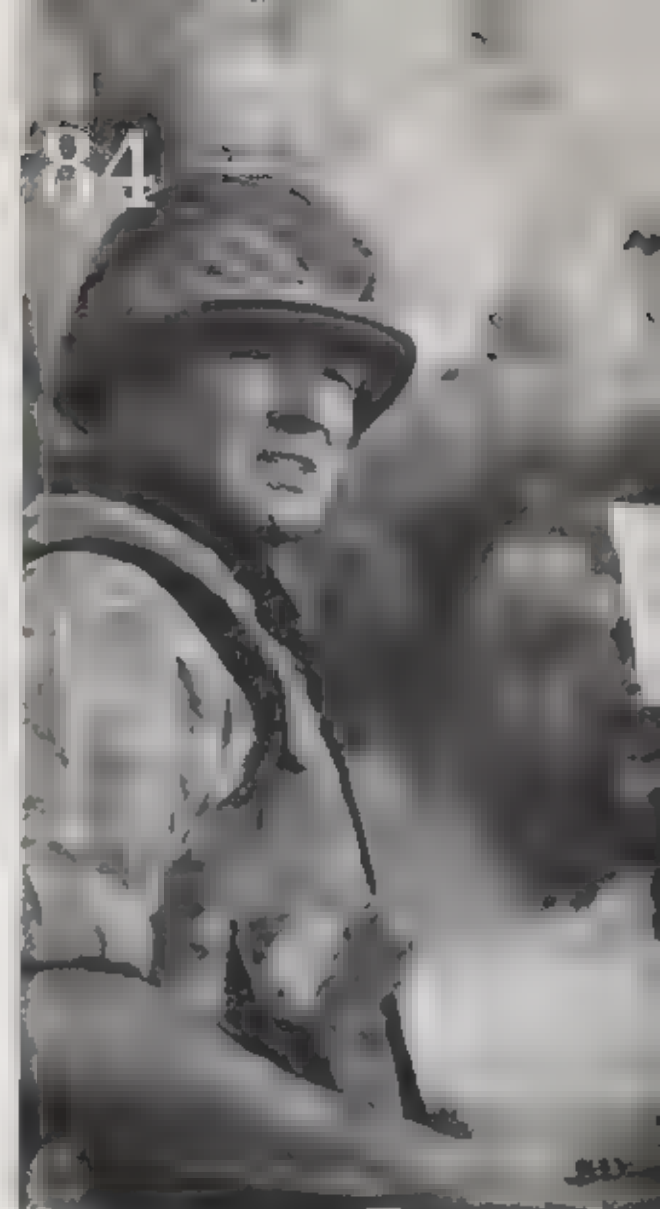

Unpredictable weather was again a story this year. Temperatures in the 60's in mid-February broke a record that was set 100 years ago. At a time of the year that usually sees at least 4 inches of snow on the ground, Bedford suffered spring fever early as the sunshine made many people think of the summer. Mother nature struck back 2 weeks later and dumped 15 inches of snow within 3 days, which closed school for the first time in 2 years.

Politically it was also an eventful year. Jesse Jackson, the first black candidate for President, was busy campaigning with Gary Hart, the dark-horse of the year. Issue 1 on the Ohio ballot was defeated and the legal drinking age stayed at 19, with a sigh of relief from many

Bedford students. "We can go off to war and fight for our country when we are 18, so we should be able to drink before we're 21. I'm glad the drinking age stayed at 19," said junior Jerry Blaha.

1984 was also the year that many of our Marines were killed in Lebanon in what President Regan called a peace-keeping action, but actually was a limited war where our troops were sitting ducks instructed not to retaliate fully. Also this was the year our military made its first aggressive action in years as it invaded the island of Grenada.

We were treated to the sports spectacle of the Olympics in 1984 also. The Winter Olympics were held in the historic site of Sarajevo, Yugoslavia during the month of March.

**OLYMPIC GOLD** America received its first gold medals in downhill and slalom skiing in the 1984 Winter Olympics due to the fine showings of Phil Mayer and Tamara McKinney.

# Young Job?

**MARINES WORK** In 1983-84, the Marines were out in force in Grenada as well as being a controversial peace-keeping force in Lebanon.

**DISAPPOINTMENT STRUGGLE** Unfortunately, America's ice hockey team could not repeat the awesome performance of the 1980 games in 1984. They didn't even qualify for a medal

## ATE IR

NOT SOLD TO  
ANYONE UNDER  
19 YEARS OF AGE  
I.D.'S REQUIRED

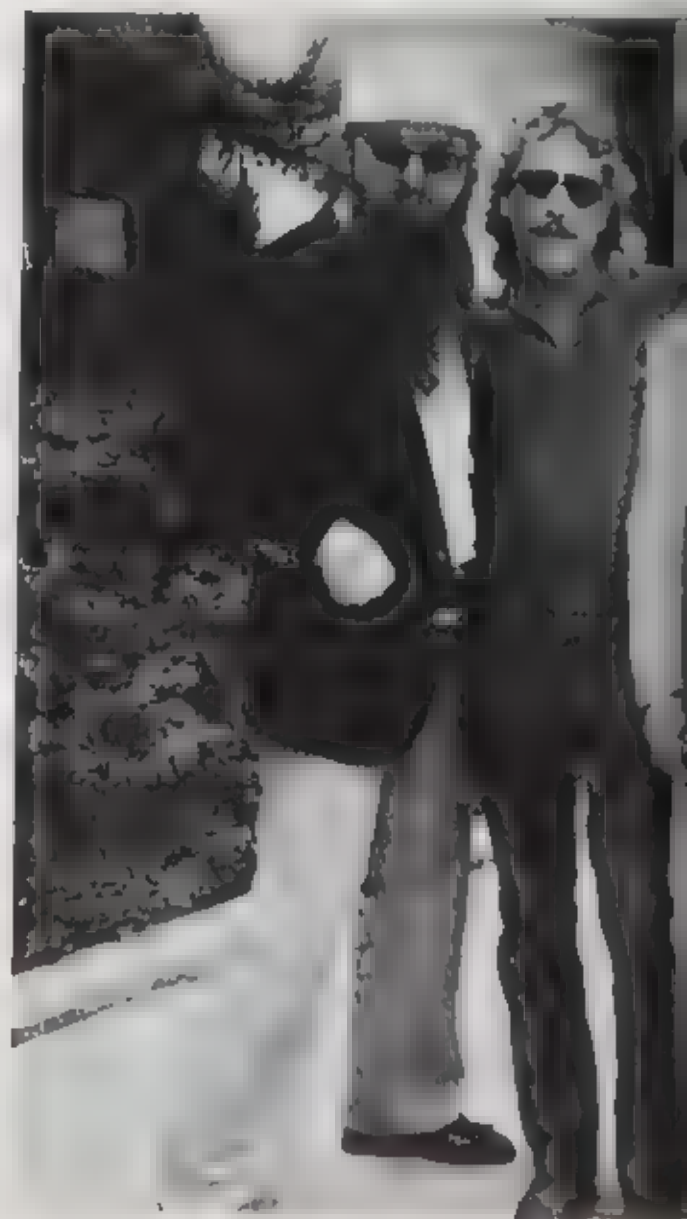

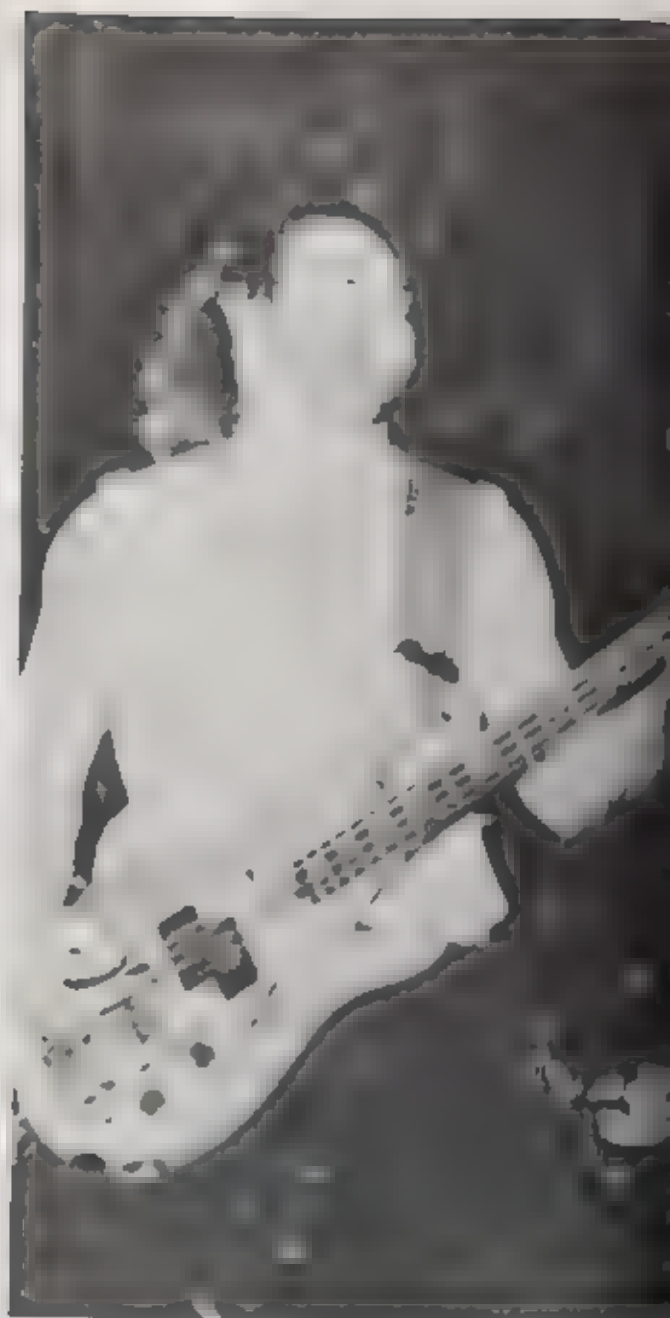

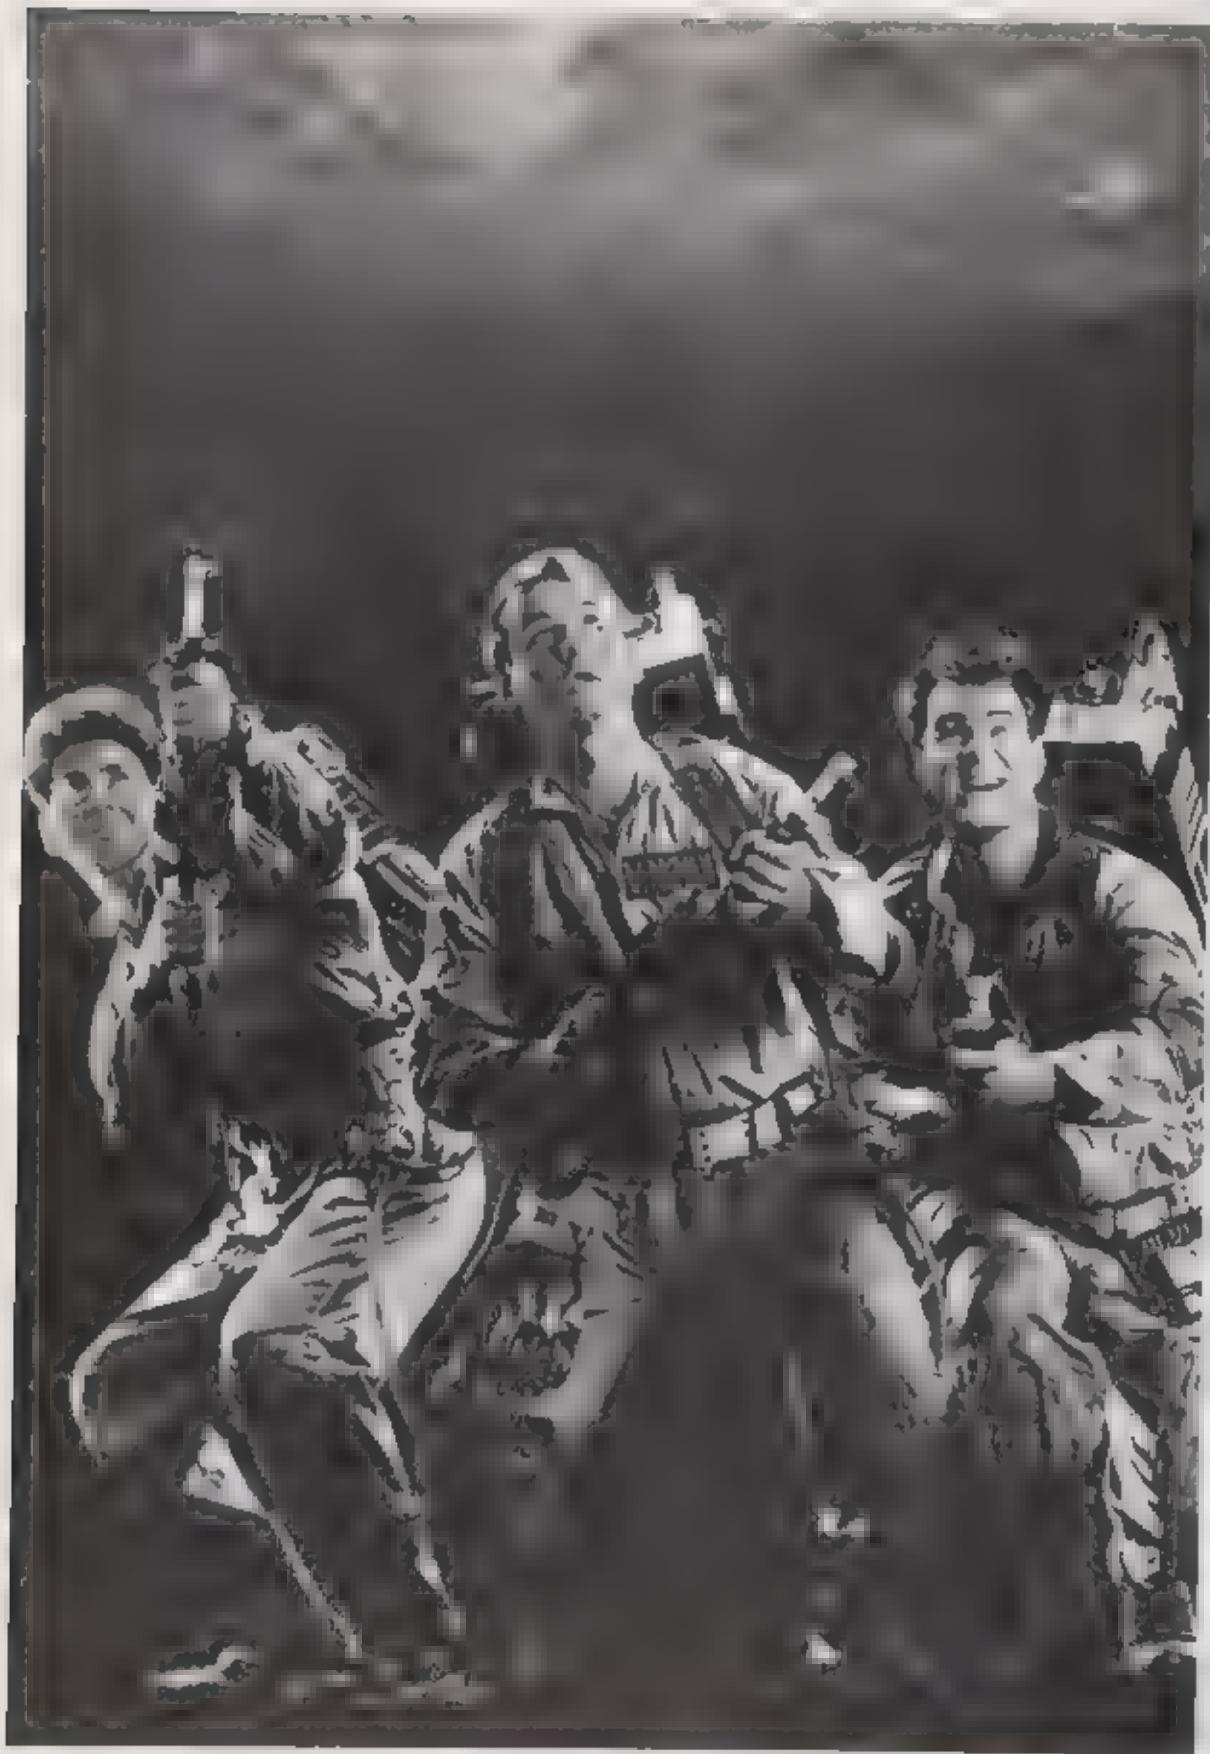

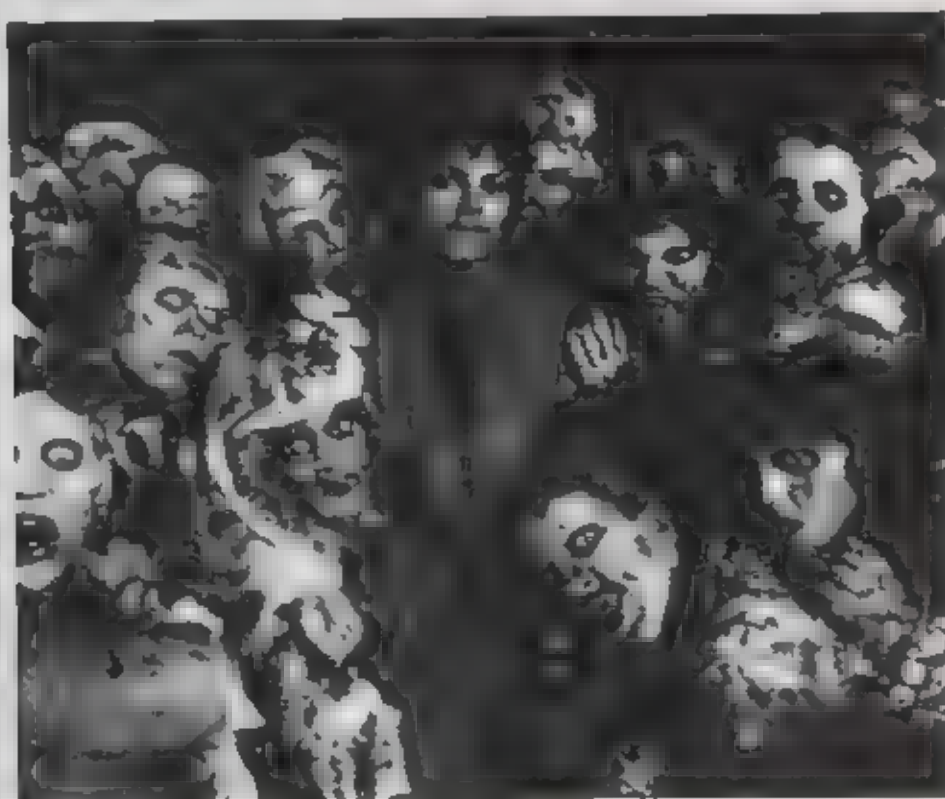

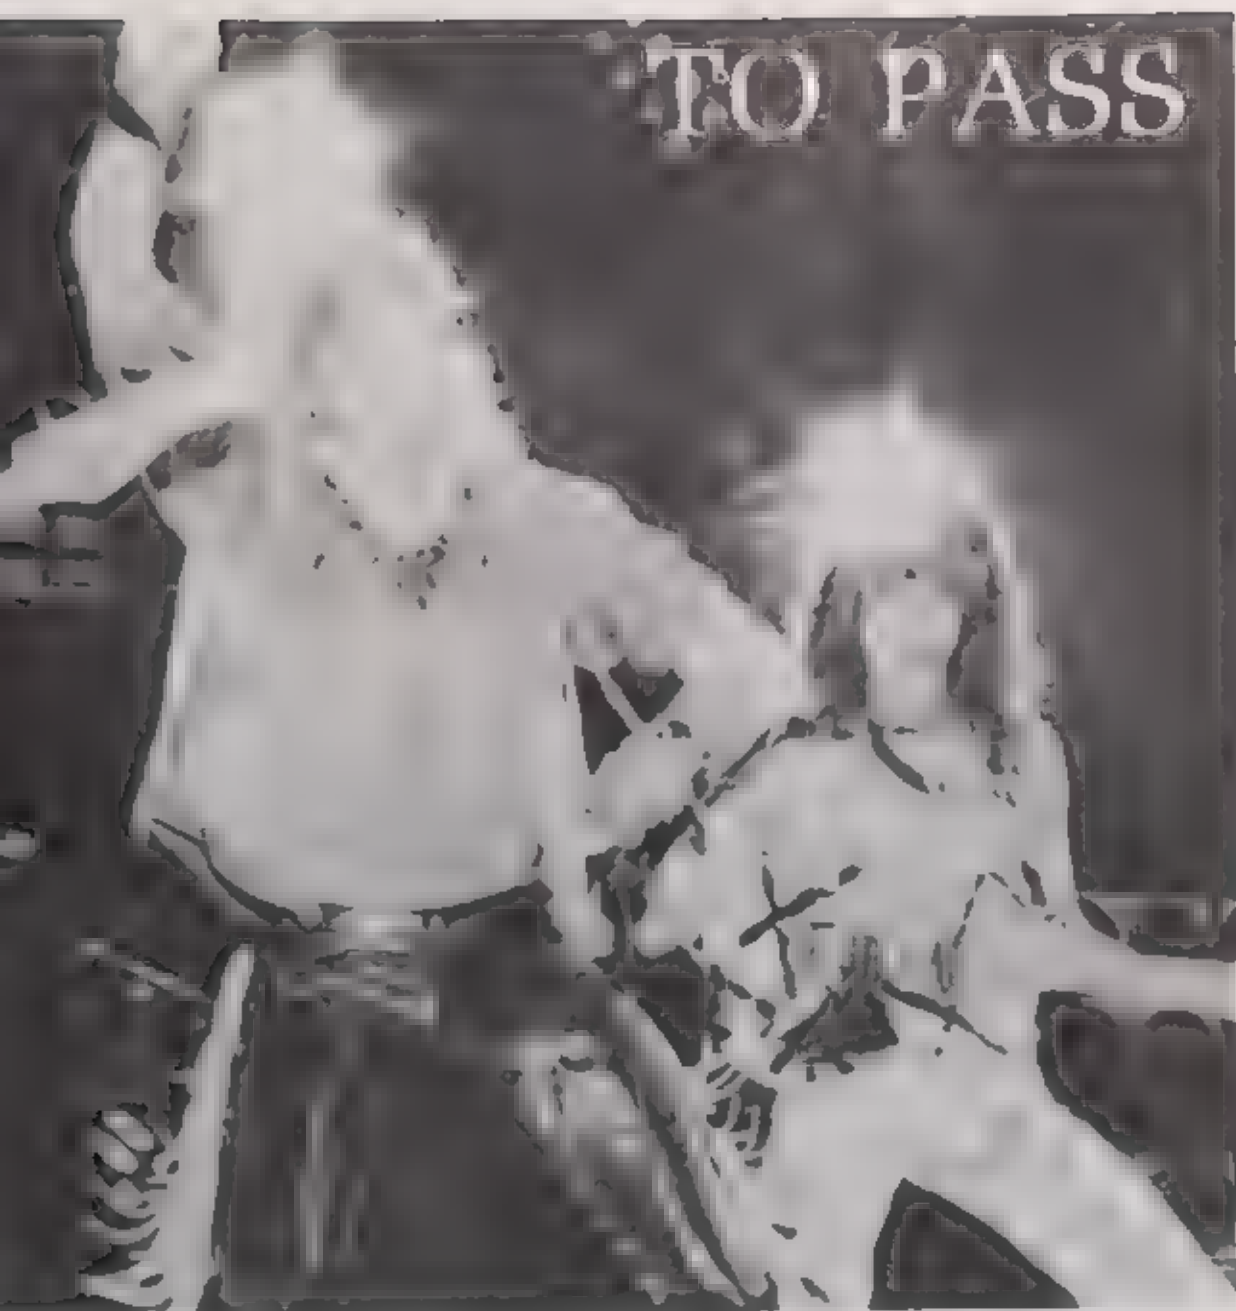

**19 STICKS.** Due to a rejection of Issue 1 on the November 1983 ballot, the drinking age for beer stayed at 19 instead of being raised to 21

**HISTORY DESTROYED** A part of Bedford's past died when the old Northfield Bridge was torn down, to be replaced with a new one. Traffic, weather, and old age was the cause of death

IN CONCERT Van Halen did it again in '84. They released a new album, entitled "1984" and supported it with a sold-out US tour.

GHOST BUSTERS. One of the biggest movies of the summer was the comedy "Ghostbusters". This movie featured Bill Murray and Dan Akroyd.

**IT'S THRILLER.** Videos became technical as Michael Jackson's "Thriller" video set a new precedent for the medium

**ZZ TOP** One of the hottest bands of the year in both music and video was ZZ Top. You may remember the videos of their hits "Sharp Dressed Man" and "Legs"

# TO PASS THE TIME

Entertainment was highly diversified in this eventful year of 1983-84. This was the year that many got away from the front of their cable television and back to the movie theaters. For this we were treated to the final chapter of the Star Wars trilogy, "Return of the Jedi". Other big movies this year were "Flashdance" and "Footloose". "Terms of Endearment" won the Oscar for the best picture of the year, though.

From the Flashdance look to the Michael Jackson look, people were thrilled to the sounds of the year. Headline concerts this year were Van Halen and Duran Duran. Not only did the hitmakers come to Cleveland, such as the Culture Club, but so did the Clash and other less known bands.

The thrilling performance of Michael Jackson's "Thriller" made him the superstar of the year and possibly of the whole decade. His album became the biggest selling album of all time, selling over 30 million copies all over the world. Other popular albums this year were "Born in the USA", by Bruce Springsteen, "Eliminator" by ZZ Top, and "90125" by Yes.

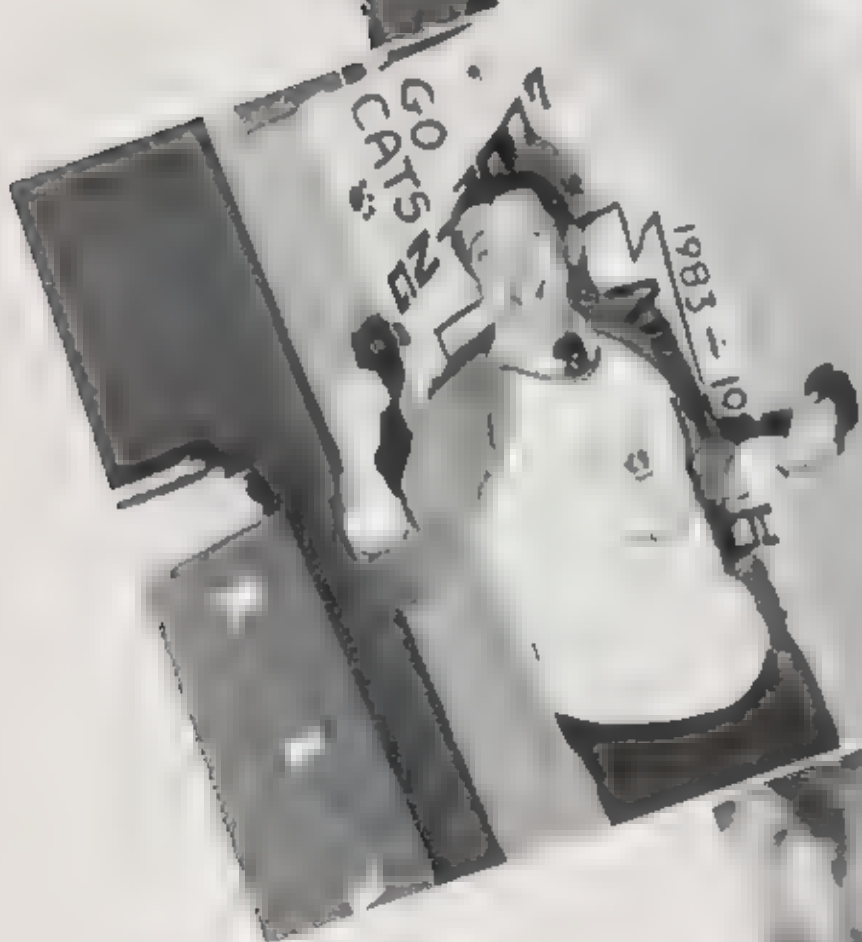

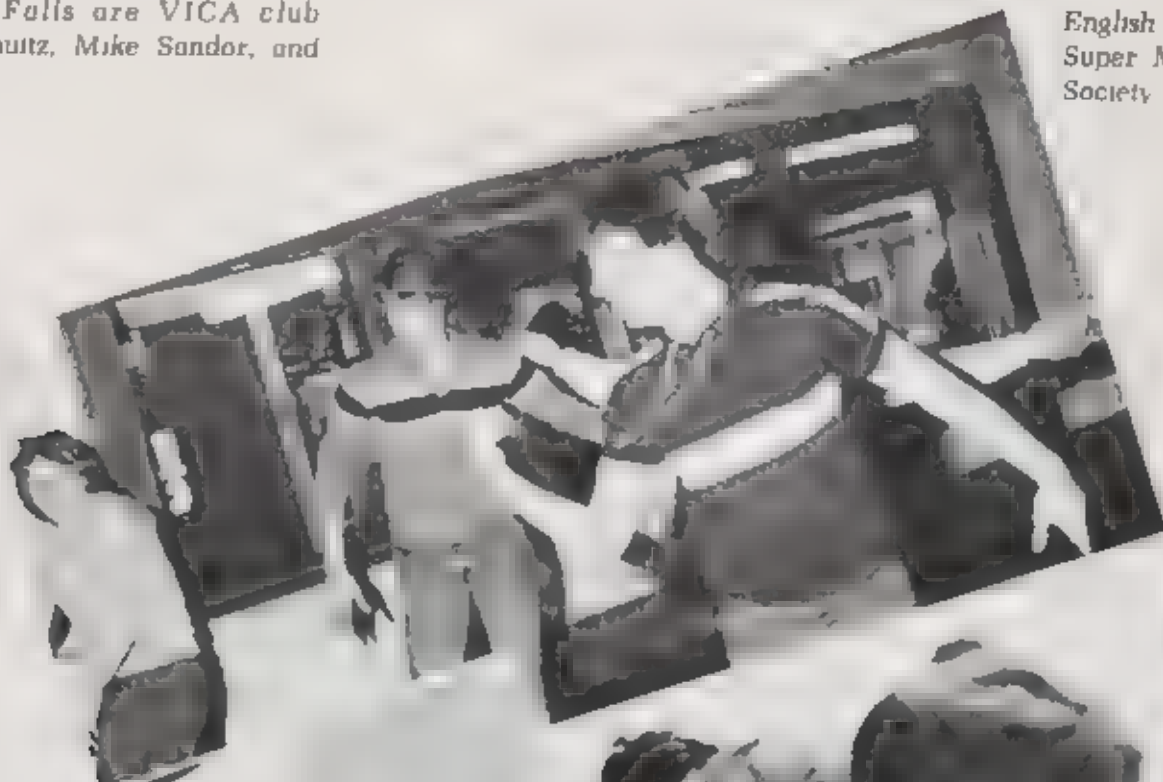

Television became more intelligent and controversial as well. It started to dwell into serious subject matter such as incest and nuclear holocaust. "The Day After" caused much protest when it was aired.

Entertainment facilities were also in the news when Cleveland proposed to build a domed stadium downtown.

# Personal Entries

**ROLLER DERBY** Taking a spin around the rink at Chagrin Falls are VICA club members Mike Schultz, Mike Sandor, and Dan Muck

**SUPER MAX** Normally mild-mannered English teacher Mr. Max Bunker changes to Super Max, advisor to the National Honor Society

**TIMES UP!** Helping the swim team to work faster and harder is timer Judy Cooper. The Bearcat swimmers worked their way to the top and won the GCC title

**CONGO BONGO** Senior Mike Martinez dons his usual fall attire and beats the drum at half time during the Homecoming game

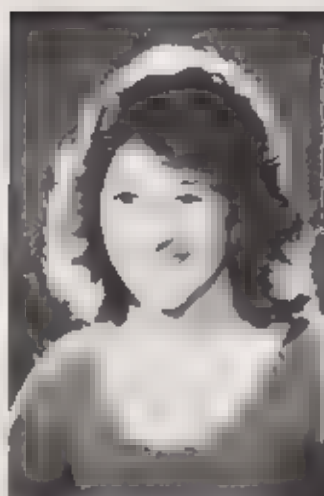

**CAT PEOPLE.** As one of the decorations for spirit week, this Bearcat was painted on the South House hallway. It has been said this will be replaced permanently with colored tiles.

**A MANIAC.** Flashdance it isn't, but Senior Mike Matranga dances and clowns for the camera at the Homecoming dance. This year saw the return of the annual dance after several years absence.

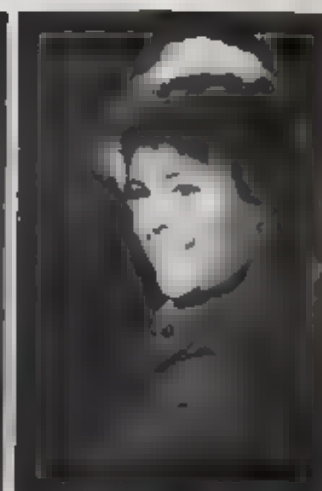

**BAD MANNERS.** You shouldn't speak with your mouth full—unless you're at the GAA induction. GAA remained co-ed for the second year as Ed Brewer and several other males joined this once exclusively female club.

## 1200 Attend Tech Fair

As many students approach their senior year, they begin to wonder what they are going to do after graduation. The annual College and Technical Fair, held this year at Bedford High School, tries to help students find some reasonable answers to that question. This year there were 100 representatives from various colleges and trade schools on hand to answer the questions of 1200 students from the Bedford area.

Although the fair occurred in October, plans got under way in April. Bedford counselors Mr. Mulac and Mr. Fleming were in charge and agreed that it was the best one yet. "The representatives were pleased with the number of students in attendance," added Mr. Fleming.

A survey of last years seniors showed that 30% were attending a four year college, 10% had plans to attend a two year college, and 7% were planning to attend a business or trade school.

ABOVE: The representative of the Institute of Technology, Mike Schultz. Scott Schultz is also at the College Tech Fair.

# An Artists Touch

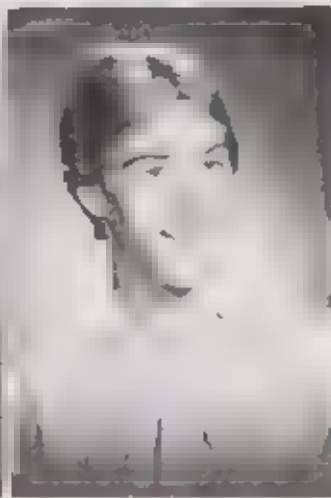

March 27th was a long awaited day for the senior Art IV students as well as the Bedford Community in general. The annual Kiwanas Pancake Breakfast and Art Show not only highlighted the senior portfolios but included work from first through twelfth grade students. The eight hours of preparation necessary to set up the show was well worth it to the viewers and participants alike.

A new addition to this years show was the work of graduate Brad Pittis who is currently a student at the Cleveland Institute of Art. Art teacher and coordinator of the show, Mr. Roger Furhmeyer commented that, "It was great to have a former BHS student show his work at the show. It would be nice if more college students would return."

# Going for the Gold

Bedford students and teachers found a new way of "Going for the Gold" this year as they participated for the first time in a competition not of strength, but of mental agility, the Academic Decathlon. The competition was started in Southern California several years ago to promote academic achievement.

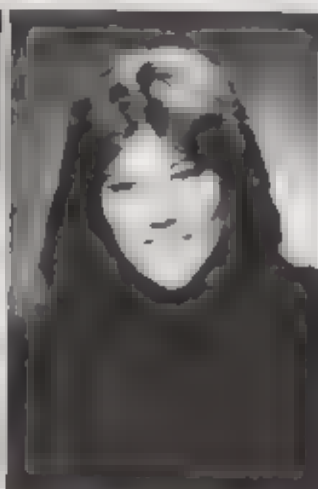

Twenty schools from the greater Cleveland area participated in the hopes of winning the trip to Los Angeles for the national competition.

Sixty students from Bedford took preliminary exams in October. From this group 19 students were then tested by essay in November and orally in January at Shaker High School. The team that was finally selected was Russ Cooper, Laura Tuennerman, Debbie Romito, Megan Hensley, Vickie Kunkel, Wayne Hatcher, Tom Chaney, and Bob Brand. For their first year in competition the Bedford team did well placing 13th out of 24 schools overall and 5th in the Super Quiz competition.

APPRECIATION DINNER. The culmination for those students and teachers who participated in the Academic Decathlon was a formal dinner held at Stouffville.

# H A L L O F F A M E

"My years at Bedford High have given me the confidence that is needed to enter the adult world," remarked Dawn Cermak. She plans on obtaining an Associate's Degree in Office Administration at Cuyahoga Community College this fall. Dawn was a member of the Marching Band, Wind Ensemble, and Girl's Glee as well as the Spanish and Ski Clubs. Dawn was also a member of the National Honor Society and Secretary of the Office Cooperative Education Club.

The future plans of Chris Cowen are to attend Kent State University and major in Speech and Hearing for the retarded. She stated, "Hopefully, I will be able to help the 'special' people of our world to grow to their fullest potential." Chris' activities included four years as a member of the class Advisory Boards, Friendship Club, and Swim Team. She was also a member of the French and Spanish Clubs.

After graduation, Mary Dowling plans to attend Cuyahoga Community College to major in Early Childhood Education. During her years at Bedford High, Mary was a member of the Sophomore, Junior, and Senior Advisory Boards, the Spanish Club, and Thearts as a Thespian. In addition, Mary was involved in the Friendship and Timers Clubs. In regards to her high school years, she stated, "They have been rewarding because I met many new friends.

"Bedford High gave me a chance to advance my education by taking part in its Vocational Education Program. I feel this has given me a head start for better employment," commented James Flauto. He plans on attending Ohio Diesel Institute and later, attend a junior college to achieve a Bachelor's Degree in Service Management. James was Vice-President of Vica and served on Class Advisory Boards for four years. He was also Captain of the 1983 Football Team.

In reference to her years at Bedford High School, Dawn Freeman remarked, "I not only gained an excellent academic education from BHS, but I also received a lesson in life in how to relate to different people." An important part of Dawn's high school career was being a Varsity Cheerleader. At football games, one could find Dawn in a Bearcat outfit since she was the mascot. Dawn is enrolled in the ICM School of Business in applied Computer Programming.

Throughout her high school career, Marlene Holesovsky participated in A Capella Choir, Girl's Glee Club, and Flag Corp. She was also a member of the National Honor Society as well as the German and Spanish Clubs. When asked to give her views of BHS, she stated, "I feel high school has taught me many things, both socially and academically." Marlene's future plans are to major in Special Education at the University of Akron.

While attending Bedford High, Natalie Kranz was a member of the National Honor Society and the Senior Class Advisory Board as well as Vice-President of DCT. She also participated in Ski Club and was on the Swim Team. "My experiences at BHS have helped me to plan for the future and I feel secure about my career decision," she commented. Natalie also stated that she will attend Bowling Green University to major in Physical Therapy.

"I plan to go to Bowling Green State University to start a degree in Hotel and Restaurant Management," stated Mark Kucera, "but after two years I am planning to transfer to Johnson and Wales College to finish the degree." Mark's several activities at BHS included Freshman, Junior Varsity, and Varsity Football teams along with Varsity B and Ski Club. In addition, he was also a member of the Junior and Senior Class Advisory Boards and the Spanish Club.

# SEMI-FINALISTS

**DARLENE MORAVEC**—While at Bedford High, Darlene has been a member of OEA and the Sophomore and Senior Advisory Boards. She has also belonged to Ski Club and the Spanish Club while serving as a scorekeeper for the Baseball, Wrestling, and Swim Teams. Darlene plans to major in Accounting at Akron U.

**KELLI O'NEILL**—A dedicated member of her class, Kelli was President for three years while serving as a representative in Student Senate for four years. She also served as a tutor and was a member of the Spanish Club. Kelli plans on attending John Carroll University to major in Business Administration

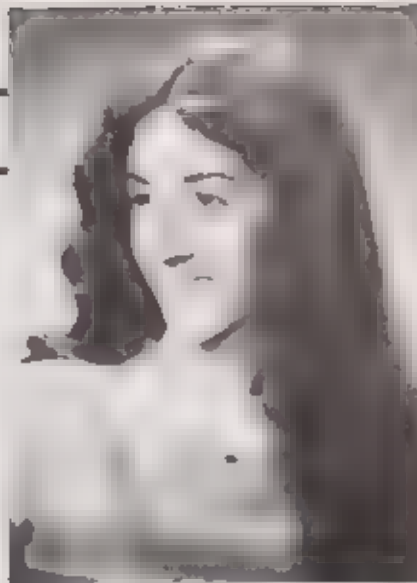

**DENISE RINI**—Not only has Denise served in Student Senate, but also was on the Junior and Freshman Class Advisory Boards. She also belonged to the Spanish and French Clubs as well as DCT. Upon graduation, Denise plans to attend college and major in Accounting.

**DONNA SOLTIS**—In addition to being a member of Student Senate, Spanish Club, and Thearts, Donna has been a member of Varsity B, the Track Team, Yearbook Staff, and Advisory Boards. Donna plans to attend St. Alexis School of Nursing, and later pursue a degree in Special Education at Akron University

**RUSS COOPER**—As NHS Vice-President, Varsity B President, and French Club Secretary, Russ has proven to be a leader. He has served on the Junior and Senior Advisory Boards. Athletically, he played on the Football and Baseball Teams. Russ plans to major in Chemical Engineering at Carnegie-Mellon.

**JOHNNA GRIFFITHS**—Girl's Basketball, Softball, and Volleyball Teams were just a few of Johnna's contributions to BHS. Her activities also included Varsity B, GAA, German Club, and Orchestra. Johnna's future plan are to attend Ohio State University to study Chemical Engineering.

**DIANE KALLOS—NHS,** Wind Ensemble, Marching Band, and German Club were among Diane's accomplishments. She was also on the Track, Volleyball, and Basketball Teams and a member of GAA and Varsity B. Upon graduation, Diane will attend the University of Akron in pursuit of a degree in Computer Science.

**MARY JEAN PETRON—**Among Mary Jean's numerous activities were NHS, the Senior Class Advisory Board, Varsity B, and the Track Team. She also served Student Senate as its Secretary and Treasurer. Mary Jean hopes to have a successful career in research such as in Biomedical Engineering.

**KATHLEEN McRITCHIE**—Student Senate, Madrigal Singers, and A Capella were just a few of Kathy's activities at BHS. She was also a member of the Softball and Volleyball teams as well as GAA, Ski Club, and Spanish Club. In the fall, Kathy plans on attending Toledo University to major in Social Work.

**TRACIE SPRINKLE—**This Student Senate President also participated on the Volleyball, Basketball, and Track Teams. In addition, she was a member of Varsity B, Riffle Corp, and the French Club. Tracie's future plans include pursuing a degree in Hospital Administration at John Carroll University.

**KAREN MSCICHOWSKI**—Karen's activities at Bedford High included National Honor Society, Thearts, A Capella, and the German Club. In addition, she was also an active member of her class' Advisory Boards for four years. Karen plans on continuing her education after graduating from BHS.

**TRACY TOKARCIK—**This active student was involved in Varsity B, the Volleyball Team, and Senior Advisory Board while serving as GAA's Secretary. Tracy studied foreign languages as a member of the German and Spanish Clubs. Her future plans are to major in Foreign Languages at Baldwin Wallace University.

# Awareness was the Goal

"Sexual Harassment" was all she heard and the junior girl thought it was the rock group! Instead, it turned out to be a speaker, Ms. Barbara Holloway, Business teacher at Bedford to be exact, who addressed the female students on the problems of being sexually harassed at the work place or school and what can be done about it.

This presentation was one of a continuing series held this year to heighten peoples awareness on topics ranging from the one mentioned above to physical abuse in relationships, love, family, or otherwise. Ms. C.J. Bott, Mrs. Grace Kozak, and Mrs. Kathleen Ferrone were primarily responsible for arranging the assemblies. "I can't say for sure whether or not these speeches helped anyone, but at least we tried to make them aware," said Ms. Bott.

GETTING AHEAD Mrs. Bess Warfield, owner of her own agency, spoke to students about managing a successful career and life in general in today's world.

## Governing Bodies

Besides being the largest organization at BHS, Student Senate is also the strongest promoter of school spirit. There are 61 members who represent each of the four grades.

The year for Student Senate was a busy one. The well planned calendar of events included the school's annual candy drive, a hayride in November, the Christmas candy cane sale and food drive, the Sweetheart Ball in February, Career Day, and the highlight of the year Student Government Day and dinner.

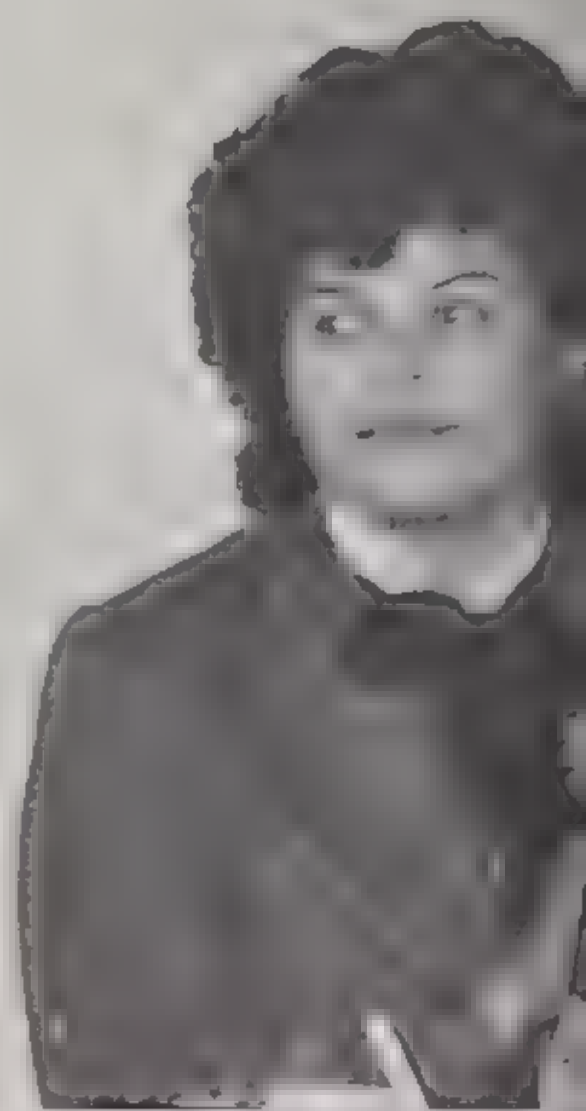

The most project of the year is Student Government Day, an annual event that gives the students a chance to know their city officials and gain a better understanding of how city government is run. Also involved in the exchange are the administrators at the high school, also giving the students involved a better idea of what it takes to run the school.

Service projects that benefited

the needy were also part of this year's program. Raising money for the United Way, selling daffodils for the Cancer Society, helping with the Bloodmobile and promoting the March of Dimes Super Walk kept Senate members busy.

Senate President Tracie Sprinkle summed up the year by saying, "The juniors and seniors were spirited and contributed a lot this year and the underclassmen are on their way to becoming good leaders."

AFTER DINNER Senate President Tracie Sprinkle listens intently as government officials address students at the dinner that kicks off Student Government Day.

# Hard Work Pays

**ABOUT FACE.** Senior Becky Brunswick, one of the six members of the Rifle Corp, practices her maneuvers.

**AT ATTENTION.** Adding a special touch to the half time activities at home games are these members of the Flag Corp

Coordination and a lot of practice is what it takes to be a member of Rifles according to Captain Tracie Sprinkle. "A lot of people think that all you have to do is swing a rifle around, but we trained at band camp in August as well as a special camp just for Flags and Rifles." commented Tracie

The Rifle and Flag Corps played a vital part in the shows at the football games. Abbey Hujak, squad leader, felt that the '83-'84 season was the best yet for Flags. "Our new Advisor, Susie Homer, is very professional in her techniques and this really helped us to improve over past years." stated Abbey.

The 17 girls in Flags and 6 in Rifles put in a lot of hard work, but it was appreciated by the fans during football season.

**ON STAGE** One of the many speakers who participated in Career Day was this actor from the Cleveland Playhouse. "He was sincere and realistic about how much hard work is involved in acting," said Frank Zippay

# When I Grow Up . . .

How can you be expected to choose a career when you're only a ninth grader? One way to help solve that dilemma is to participate in a new program sponsored by the Boy Scouts called "Explorers", and for the small fee of \$2.00 freshman students were able to expose themselves to a variety of career options.

Bedford High School was the first school to participate in this program in the area. Mr. Jack Ulman, Vocational Counselor, and Mrs. Kathleen Ferrone coordinated the set up of speakers so that students could attend the assemblies during the school day.

By filling out a survey in December students were able to indicate their interests in careers ranging from nursing to police or fire work. Then they were matched up accordingly.

AT EASE Marine Sergeants, policemen, firemen, doctors, and nurses were all part of the Explorers career program.

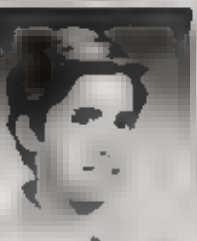

LISTEN UP. Taking advantage of the opportunity to explore different career options are ninth graders.

# Senators in Action

Many people complain about our government but few take the time to do anything about it! A group of Bedford students took the time and energy necessary to identify an aspect of our current system that needs revision and did something to implement a change. The program is called Youth in Government and is sponsored by the Southeast YMCA.

Nine Bedford students participated in the program that took them to Columbus in April where they actually had a chance to stand on the Senate floor and address the state legislators. Sophomore Jill Stephens said of the program, "It was a lot of fun as well as being an incredible learning experience. It was sobering to actually be on the Senate floor."

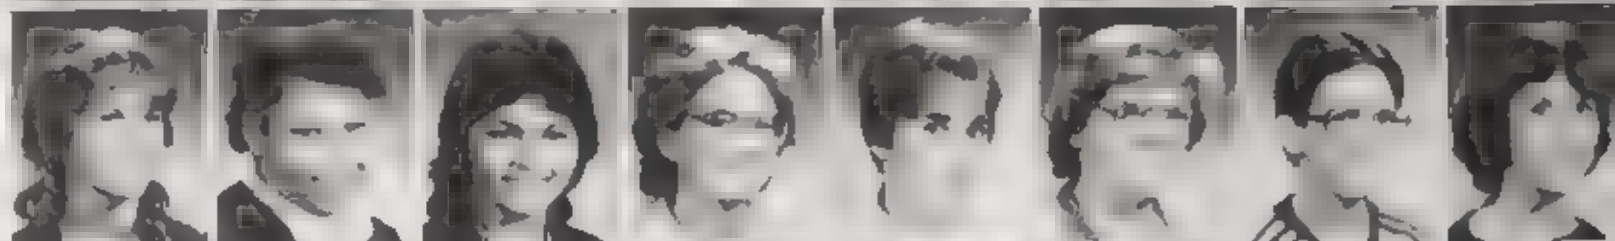

SENATOR JIM STEVE GARY  
is a representative of the Southeast YMCA's  
Youth in Government program addressing  
the state Senate in Columbus.

# THE GAMES WE PLAY

**DIVE BOMB.** Bearcat swimmers attacked their opponent and fought their way to the top. Girls swimming won the co-champ title, and the boys captured the undisputed title.

**LOCKED OUT** Bedford wrestling was more or less average this year as they finished the season 8-7-1. The old rivalry between Maple and Bedford was closely decided this year in favor of Maple.

**THINK FIRST** Darin Vaughn seems to be harnessing all his energies to be able to put the shot a record distance. As a team, Bearcat truckmen were successful and found themselves with a 5-2 record.

**DON'T FORGET** What sport would be complete without cheerleaders, and the Bearcat mascots? The Varsity Football cheerleaders had their work cut out for them this year.

---

**BATTER UP** Varsity Baseball showed a lot of effort this year and they had their shining moments, but all in all they ended the season with a record of 9-11

**YOU'RE OUT** Well, Junior Varsity Baseball also showed much effort but their opponents proved more difficult to defeat and they fell to a 2-15 season record

**RUN AWAY** Keith Askew runs the relay in the meet against Euclid. Unfortunately the team did not run away with the victory coming up short 61-73

## Disappointment Reigns

The "Battling Bearcats" opened their season with great ambitions for a winning year despite their past records. Unfortunately, it "Seems Like Old Times" as they ended the season with a 1-9 record. The only thing to cheer for was the running of junior Ron Culpepper. The 5' 6" 160 pound fullback had two consecutive 100 yard games including 133 yards on 26 carries which was good enough to earn him a spot on the Cleveland Plain Dealer's "Dream Team" and G.C.C. "All Conference". Other fine performances in Bedford's only victory, 9-6 against Garfield, were made by Pete Kranz, who rushed for 53 yards and one touchdown pass, and senior Rich LeVoy, who gained 24 yards on 10 carries.

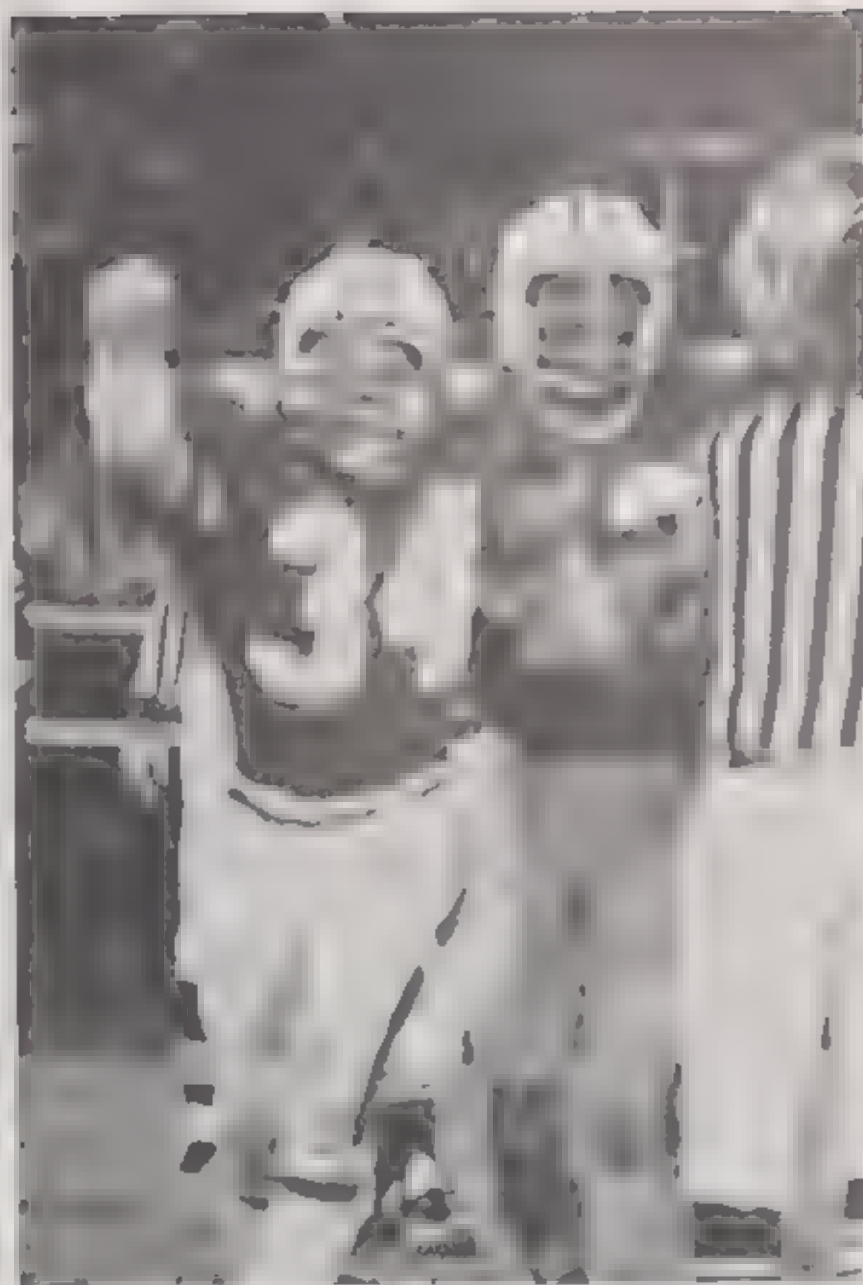

Bedford's defense stayed together and big plays were executed by

senior Mark McNellie who blocked a kick and Chris Brown, Ed Robinson, and Tony Lopez whose interceptions contributed to the victory.

Bedford played in several nailbiters. They lost to Chagrin as a touchdown, with only seconds left in the third quarter, seemed to spell doom for Bedford. With little time remaining to play, junior quarterback Pete Kranz sparked a drive with several completions, first to senior tightend Dion Tiggett, then consecutive passes to senior halfback Rick LeVoy with 59 seconds left. But then things fell apart. A pass to Robinson fell short. Dion Tiggett let a pass slip through his outstretched fingers after making several fine catches, and a pass to junior wingback Jeff Adams, in the end zone, was over thrown with only 27 seconds left on the

clock. Chagrin proceeded to run out the clock to preserve their 0-7 victory.

Nothing was more devastating to the Bearcats than the Homecoming loss to the high powered Euclid Panthers. As expected, Ron Culpepper sparked Bedford with a 10 yard reception from Pete Kranz. After a Euclid turnover, Kranz hit wingback Paul Davis then Dion Tiggett on a short toss to put them closer to the end zone. Then Kranz scored at 11:34 in the quarter. The extra point try failed, but Bedford was up 13-0. At the start of the 3rd quarter Euclid tied the score 13-13 with an 85 yard TD run. After that play, Euclid's defense seemed to close the door on Bedford with another touchdown in the final minutes of the game. The loss tarnished an otherwise spirited Homecoming week.

**FREE BALL** Tony Lopez (34) and Eddie Robinson (42) are encouraged by a recovered fumble during the Euclid game. It was a close game that ended in defeat for the battling Bearcats.

**HARD TIMES** Ray Holan (67) and Greg Stewart (70) retire to the sidelines after an offensive series against Mentor left the Cats scoreless.

**HARD HIT.** A highlight player for the 83 Cats was running back Ron Culpepper (23), who made All Conference. A Mentor guard takes him down.

**ANYBODY'S BALL.** It was a tough season for the JV Squad with only two wins against eight losses. It's a scramble for the ball in this match.

# Going the Distance

As the 1983-84 Cross Country season came to a close, the Bearcats finished with an 803 record and 4th place in the conference.

The best team effort was against Maple. Chris Kitzler ran an extra 200 yards, but still held first place. Great performances were turned in by Chris Kitzler, Tom Clinton, Lloyd Turner and Vern Rayner.

In the G.C.C. meet, in which all the teams in the conference competed at

the same time, Bedford finished 4th out of 8 teams. Chris Kitzler finished 2nd and Tommy Clinton finished 7th.

At the sectional meet, Bedford was one of the five qualifying teams to go to the districts out of a field of 20 teams.

When Coach Kimberly was asked to summarize this season he said, "I felt the team did very well. I was very pleased with the progress, everyone

improved as the season went on, and I was really impressed by Chris Kitzler and Tommy Clinton. Next season our team should be very strong contenders for the G.C.C. title."

All in all, the Cross Country team had a good team this year and should have an even better team next year considering we are only losing one of our top seven runners. This is a team our school can be proud of.

**FINISH LINE.** Tom Clinton and Lauren Hill ran a tough course, but it was worth the time and points which ended in a Bearcat victory.

**TRAINING HARD.** Leading team scorer Chris Kitzler summed up the season by saying, "I really enjoyed the season and as a team we had a fine year making it to the districts."

**WATERING HOLE** Mike Wheatly makes a great shot that sends the ball and the water flying

**HEAD DOWN.** Junior Todd Sadler keeps his head down and his eyes on the ball. This year's team finished the season with a six and ten record

**PEP TALK** Coach Popesh gives the team some pointers during a time out. Even though the season was not a winning one, the team really worked together.

**HIGH SPIKE** The varsity volleyball team played tough on the home court. Everyone remained confident and aggressive throughout a losing season.

**WHERE'S THE BALL?** Tri-captains Debi Elek, Sherris Macik, and Hollie Kozak did a lot to keep the spirit going for this year's team.

# Working Together

The 1983-84 Girls' Volleyball team finished their season with an overall record of 3-16.

The starting six were seniors Debi Elek, Diane Kallos, Denuse Milewski, Laurie Wills and juniors Hollie Kozak and Sherrie Macik. The team was led by tri-captains Debi Elek, Hollie Kozak, and Sherrie Macik.

When asked what the highlights of this year's G.C.C. meet were, Coach Papesh replied, "The best match was Mayfield, our first G.C.C. win. We really started to work together as a team. It was a hard fought and close match. Everyone contributed to this win and it was very satisfying."

Junior volleyball player Hollie Kozak summed up the season by saying, "Everybody played tough and fought til the end. I felt that everyone was confident and aggressive through out our games. We had fantastic blocks, spikes and saves by all."

Although their record doesn't speak for their talent, this year's team truly worked as a team and not as individuals.

**HOLD ON** In the season opener against Tallmadge, Senior Chris Kitzler tries to gain control of his opponent. The Bearcats swamped them, 58 to 8.

**SHAPING UP** Juniors Jim Lynch and Jim Geiger warm up before the match against Eastlake North. The match ended in a 29-2 tie.

## A Year of Surprises

Two seniors helped lead a young Bearcat wrestling team to a six and eight season record. Lettermen Ed Zaharewicz and Paul Davis were morale boosters for the team. "This year was full of surprises," commented coach Marunowski, "and because of the strength of our juniors, I'm looking forward to a good season next year."

Ten juniors on this year's squad received their letters. They were Michael Hudson, Jim Lynch, Todd Morrison, Jim Geiger, Bob Hurtuk, Tony Lopez, Ron Culpepper, Chris Kitzler, Barry Smith, and Bob Paluscsak. These juniors will be the leaders of the '84-85 team.

Besides the regular 15 match season, the Bearcats also wrestled in three tournaments; Willoughby South, West Geauga, and Norton High School.

**TAKE DOWN** Sophomore Sean Smith, who wrestled both varsity and junior varsity, tries to get his Tallmadge opponent on his back.

**CALM COACH** Coach Jim Marunowski summed up the '83 season by saying that it was full of surprises and that next year looked promising.

# Agility Sparks Team

First year coach Anthony Palmieri took his Lady Cagers to an overall record of 8-11 during the 1983-84 basketball season.

The Lady Bearcats lost three seniors; 5'8" Tracie Sprinkle, 5'7" Johnna Griffiths, and 5'6" Debi Elek.

The high scorer on the team was

Stephanie Fleming and high rebounder for the team was Hollie Kozak. The Bedford girls should not have problems next season since the nucleus of their team is made up of five sophomores and two juniors.

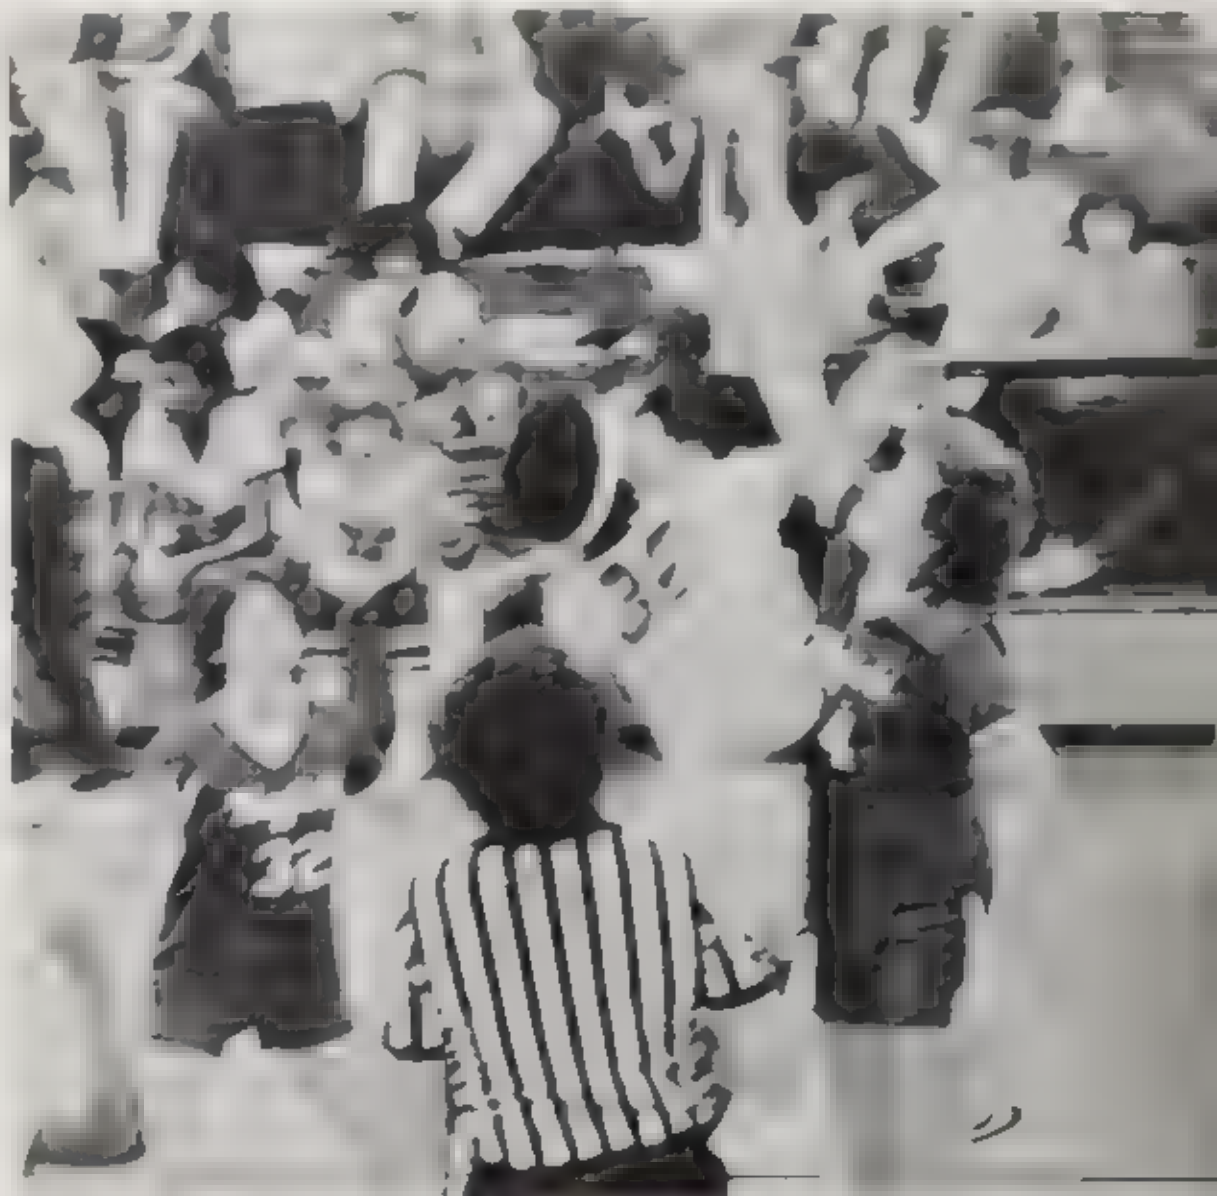

Special attention should be paid to these girls next season. With the

speed and agility of these girls, Bedford High should look forward to at least two winning seasons in the next three years.

JUMP BALL, Debbie Russell (32) is on her way to scoring two points for Bedford against Mayfield. Her efforts led to a 44-38 victory for the Cats.

**HOT TIP** In a tough match against Nordonia Debbie Elek, Bedford's most valuable female athlete of the '83-84 season, tips the ball to a teammate.

In some ways the highlight of the season was the controversial game against the first place Mentor Cardinals. Trailing 39-33 at the half, the Cats battled back on a sixty per cent shooting binge to a 54-47 third quarter lead. However they were unable to hold the lead as Mentor charged back; the score stood at 65-65 at the end of regulation play. With all the players on both teams keyed to a fever pitch, the game got a little ragged during the overtime period. With three seconds left in the period Mentor had the ball with the score holding at 69-69. The Cardinals sunk the winning shot with no time left on the clock. After a referees' conference, the shot was ruled good leaving the Bearcats' at the short end of a 71-69 score. Their overall season record was 12-10

OVERTIME Dion Tiggett (42) and Tom Chaney (52) fight for the rebound against Mentor. Bedford beat the Cardinals by one point in overtime

# New Coaches

The 1983-84 Girls' swim team had another excellent year with only losing three swim meets out of ten and sharing the G.C.C. title with Euclid

A large amount of the success was due to the new coaches, Dave Huelsman, Dave Garee, and Terry Toaz. "The new coaches knew when to have fun and when to work us hard," exclaimed some of the girls. "We worked them hard physically, but built them up mentally. I think that was the key to success this year", stated Mr.

Raymont who was the head coach this year.

The girls captured five G.C.C. titles this year. Titles were won by Jill Whims in the 100 yd. butterfly and the 100 yd. backstroke, Colleen O'Neill in the 200 yrd. freestyle, Debi Kaneen in the 500 yd. freestyle and the 400 yd. freestyle relay including Jill Whims, Colleen O'Neill, Debi Romito, and Gina Spadara. It was a total team effort that captured the G.C.C. co-championship title by two points over Euclid

## In the swim of things

This year an awesome boys swim team won the greater Cleveland Conference Championship for the second year in a row. Although the team had a similar record to last year's team, there were many differences. Former assistant coach Jim Raymont became head coach. Dave Garee and Terr Tooz became his new assistants. The administrative hold ups involved hiring new coaches delayed the beginning of the season. Senior John Percejus commented, "We were at a disadvantage starting later, fortunately we worked hard and had the talent to overcome this initial obstacle."

The next "little problem" came when an enterprising student taking swimming for phys. ed., found a way to ignite the plastic obstruction wimdee which was under enormous pressure. Fortunately no one was injured. Unfortunately, the team lost over a week of practice and nearly forfeited a meet

because of necessity for repair.

Once the team got started however, there was no stopping them. They swam well in their first meets and finished non-conference competition by upsetting Hudson. Once conference competition began the team domped on everyone. The closest conference competition came from Brush which was soundly defeated by a large margin of points.

The team did equally well in the GCC championship meet. Having defeated every team in the conference in the dual meets it came as no surprise when the team soundly defeated all others.

The 83-84 Bearcat swimmers proved that they have both talent and endurance. By capturing the conference championship two years in a row they have set a precedent. Only time will tell how many more years they will be able to keep it up

UPSIDE DOWN Andy Foggia is doing a reverse off the low board during warm-ups for the G.C.C. conference meet at Maple which the boys won for the second year in a row

NUMBER ONE John Pracejus, Steve Smalley, Todd Hunt, and Paul Tomondy show their pride at having won the breast stroke relay at Bedford's pool

# Young Team Fielded

In the cold and dreary month of March a few but dedicated bunch of girls started practice for the softball season. Although the turnout was limited the talent among these girls was abundant.

With only three seniors on this years team the future looks bright. Playing infield and first in the batting order was junior letterman Hollie Kozak. Backing her up at second and third base were Barb Shafer and Chris Zawacki. A surprise for the season was the incredible talent of freshman Michelle Patsolic, who started as first baseman and was also a clean-up hitter. The Lady Cats also sported two very talented pitchers, Senior Bonnie Buck and Junior Dana Wilson, who split the pitching duties for the season. Working behind the plate a good portion of the season was power hitter Barb Ehasz who got relief from Judy Cooper and Betsy Lee. Another strong hitter and left fielder was Sherrie Macik. "Top of the order hitters" according to Coach Farl, were juniors Bindi Morozek and Julie Cimino, who also played right and left center field.

Although their season record was not that dynamic, many of the games were close being lost by only one or two runs. But with the young talent on this team, next year should shape up to be a winning season.

**SLOW PITCH** Releasing her pitch to a Mentor opponent is Junior letterman Dana Wilson who split the pitching duties with senior Bonnie Buck

**BATTER UP** Junior Sherrie Macik is at bat. She was a strong hitter for the team as well as covering left field for the Lady Cats.

**GOOD EYE** Watching the batting technique of a Mentor opponent is relief catcher Betsy Lee. The game was a tough 2-12 loss for the home team.

**PATIENT BASEMAN.** Covering second base is senior letterman Chris Zawacki. Chris practiced at third but made a smooth adjustment to playing second.

# GIRLS' VARSITY TRACK

# M\*A\*S\*H\* is a big S\*M\*A\*S\*H

The "83-84" Thearts Society ended its regular season with everyone's favorite M\*A\*S\*H.

The success of the production had been uncertain based on the fact that much of the set and costuming was to be provided by the U.S. Army, which did not arrive at the expected time. The cast, especially Mary Ann Costa, was relieved to see the "Army people" had arrived with all the necessary items.

To add to the uncertainty, an entire week of rehearsals were cancelled due to the snow days. Even that didn't slow the energetic and dedicated cast.

M\*A\*S\*H was a very funny, touching and entertaining play. The closing scene which was also the good-bye scene, became very real to many of the cast.

The set was primarily the compound of the 4077th which was the nurses tent, the Mess tent, and the notorious SWAMP.

The play consisted of several sub-plots instead of one central theme, which made for a quick moving show both comic and dramatic. These sub-plots include something for everyone, a lesson in insanity for Major Burns (Greg Spayde), a party scene for the entire camp, with a famous line

"Where's the Beef?" from Capt. Ugly Black (Brendan O'Hara). Other scenes included the dramatic operation on Hojon (Sean Smith) by Hawkeye (Doug Mark), Duke Forrest (Bruce Manners) and Hot Lips (Vickie Kunkel).

The opening scene introduced the Commanding Officer, Colonel Henry B. Blake (Ed Brewer) in his underwear!! Another scene includes Hawkeye undergoing psychiatric evaluation by Major Ruth Haskell (Abby Hajek) who was treated to a conversation of mermaids and elephants and a bite by Hawkeye after he learns he must stay longer in Korea.

After Hawkeye returns to the 4077th the audience was treated to a football scene, which is to benefit Hojon whom Hawkeye has promised to send to college in the United States. The college dean, Mercy Lodge (Kim Dobos) has agreed to accept Hojon as long as he can afford the tuition.

For the more dramatic at heart, two nurses (Laura Tuennerman & Sue Capaldo) console Lt. Nancy Phillips (Kim Tindall) after she learns that she was blamed for a soldier's death.

For the Broadway oriented, the Bonwit Sisters (Megan Hensley, Lindia Shifflette, Bridget Gehri)

made an appearance and had the Doctors of the 4077th catering to their every whim.

There were many non-speaking roles, such as the Korean extras and the G.I. extras.

The heart of the production was the many crews that are needed to put on a play such as backstage prop, make-up, set construction, lighting, costumes, and especially the publicity crew.

Other important characters in the play were Trapper John McIntyre (Chuck Colletti) Father John P. Mulcahy (Mike Grabowski) Col. Blake's side kick Private Boone (Frank Zppay) and Capt. Walt Waldowski (Tony DiCorpo) the suicidal Dentist.

Mary Ann Costa, advisor and director was constantly worried about completing the set, but through it all she remained optimistic and predicted that on the closing night, the final scene, real tears would fall. She was never more correct. For most, it was a fitting close to many of the Seniors acting career. Says Senior Thespian Vickie Kunkel, "Being involved in the plays is the best experience a high school student can have. It's what I'm going to miss most about BHS. MASH has been one of the best productions I've been in".

Dr. Livingston? Is Hawkeye Pierce (Doug Merk) in need of Psychiatric help? No, it is just a stunt by the crazy cut-up to get out of the service

At Ease! Captain ugly Black and two privates of the 4077th (Brendon O'Hara, Tony Rutledge, and Paula Cackowski) are surprised by the shout of attention as Col. Blake (Ed Brewer) makes his way into camp

Go Team! Captain Black and Private Lopez (Paul Gerycz) discuss the odds of their team during the big football game between the 4077th and the 325th EVAC at the climax of the show

Bottom: Julian da Salvador, Della Goff, Paula Cackowski, Tony Rutledge, Matt Burt, Tino Elek Second: Ron Dick, Sheri Turpin, Tony DiCupo, Vikie Kunkel, Mary Ann Costa, (DIRECTOR), Jill Stephens, Lea Ann Mansell Wendy Annet Third: Terry Kurtz, Sam Meredith Bruce Manners Laura Tupperman, Rachel Spehar, Brendon O'Hara, Top: Frank Zappay Grog Spayde Sue Capaldo, Doug Merk, Mike Grabowski, Marvin Turpin, Dean Spencer

A Game! Col. Bolke and Hawkeye (Ed Brewer and Doug Merk) discuss the up-coming game and Ho-Jan's (Sean Smith) chances of going to the states to become a doctor

A Last Entry  
for the Class of '84

## Another page turns

*Educator Charles Morelli, teacher and principal in the Bedford City Schools, retired in June of 1984. His journal still has room for many more accomplishments for he is always a student.*
